Call to kick start road scheme

COUNCIL cash has been set aside to “kick start” long-awaited improvements to the A30/A303, which could open the door to future investment in Honiton’s main road link.

Devon County Council has announced it will pour even more money into design work and technical studies for a programme of improvements to the key road.

A total of £2.25 million will be spent on preparations for two major road schemes, including the A30/A303 between Honiton and Ilminster.

And it is hoped that the latest financial investment will prompt the government to stump up the extra cash to complete the project over the next decade.

Councillor Andrew Leadbetter, the council’s cabinet member for economy and growth, said the “vital” funding would unlock growth opportunities in Honiton and support the economic development of the whole county.

He added: “Funding for this work is an important step forward to get initial designs off the ground in the coming financial year.

“We need to negotiate with the government and the Highways Agency on the detail of the A30/A303, and we will be meeting with Transport Minister John Hayes to discuss our priorities in getting this underway.”

Honiton business leaders have called for ministers to finish the job, after the government outlined a multi-billion-pound package to improve transport links between London and the South West before Christmas.

“In these tough times, small businesses in Honiton need all the help they can get,” said Colin Wright, chairman of the town’s chamber of commerce.

“It is well-documented how much of a boost these improvements will give to the town centre – it’s just one of the many ways we are trying to bring more visitors into Honiton.

“We have been calling for action on this issue for many years and it is now more important than ever that we see some real progress.”

It is understood that plans for a widened road, rather than a dual carriageway, will be presented to transport ministers this week.

Council bosses also want to develop overtaking lanes and make a series of improvements to junctions

along the route. They believe the scheme will improve safety while slashing journey times, encouraging visitors into Honiton and the rest of the South West.

The total cost of the project is estimated to be around £220 million and significant government investment would be needed to follow through with the plans.

Honiton MP Neil Parish, who also serves in the Department for Transport, said: “I am delighted that this bottleneck through the Blackdown Hills is receiving much-needed investment to improve journey times for road users.

“This government is investing £2 billion to transform the whole A303/A30/A358 route into a new strategic corridor to the South West.

“We need transport infrastructure fit for the 21st Century and these improvements to the A303/A30 are good news for road safety and good news for Devon’s economy.”

■ **LIGHTS, CAMERA, ACTION** | HONITON Pantomime Society were back in action last week, taking to the stage for a series of shows at the Beehive.

The cast presented its latest production, ‘Sleeping Beauty’, to hundreds of theatre fans during a

five-night run at the community centre.

Directed by Alex Jackson, the show featured songs pulled from hit films *Frozen* and *Tangled*.

A star-studded line-up included Shaun Bonetta as the evil fairy Carabosse, pictured alongside sidekicks Crumbleshanks and Spindleshanks.

AXMINSTER

Chamber lights row

AXMINSTER Chamber of Commerce is set to live on after Shane Morgan returned as chairman, but last Monday's EGM finished with an almighty and unresolved row about £3,000.

The chamber recently transferred the sum to Axminster Christmas Lights Fundraising Association, but Mr Morgan and a number of other members claim the transfer should only have gone ahead had the chamber folded.

Outgoing chairperson Lisa Lyman referred to the chamber constitution, which says the committee has the power to carry out the day-to-day business of the chamber.

Mr Morgan said the transfer of £3,000 to another organisation is far beyond the day-to-day business of the chamber, adding: "You have emptied the account".

Mrs Lyman denied the charge and said the transfer was the result of a transparent and correct process, and asked Mr Morgan: "What do you need the money for?"

Mr Morgan replied: "I don't need it. The chamber needs the money".

The argument continued for some time until chamber member Bill Coltham felt it would be pointless to carry on. The next meeting is on Monday, March 9th, starting at 6pm at the Conservative Club in Axminster

Beer and hill walking in Pulman's Country

CONGRATULATIONS to the organisers of the first ever Seaton beer festival.

Rather than put all the brews in one place, the real ale enthusiast was encouraged to explore the town with a variety of tempting beverages on offer around Seaton's many hostilities.

The Malt House embraced the idea the most, offering 16 additional ales and ciders over the weekend as well as laying on some entertainment.

But everyone joined in and my personal favourites included St Austell Brewery's Ruck & Roll pale ale (which was being served at The Vault) and Cardiff beer Hancock's HB bitter (that went down a treat over at PJ's).

Billed as the town's 'winter

beer festival", the focus was on darker beers and, as great as they were, I'm already looking forward to all those golden ales that will be on offer when the sun is shining at the planned summer festival later in the year.

THE weekend before last I took the chance to explore one of the many walks that have been created by the Blackdown Hills AONB.

'The Valleyheads Way' takes you on a 12 mile expedition across the Blackdowns, showing off the area's beauty and the rivers Culm, Otter and Harty along the way.

It was a chilly, windy day, and all my layers of clothing stayed on despite the length of the hike and the steep,

muddy ascents any walk in the Hills would naturally include.

But it was all worth the effort to take in the likes of the magnificent vista across the Culm Valley from Ridgewood Hill and the stately grounds of Burnworthy Manor, near Churchstanton.

It was hardly the most direct route from Hemyoock to Staple Hill, but it was certainly the most scenic.

If you're feeling up to the challenge, I heartily recommend it! Find out more at www.blackdownhillsaonb.org.uk, where you can also get the lowdown on this and other walks - including a few shorter ones! **JAMES COLES**

SEATON

Another chance for input on 'hot spot'

THE Seaton public will get another opportunity to have a say on a proposed and controversial seaford 'hot spot' feature.

Such is the feeling that members of East Devon District Council's Development Management Committee deferred the matter to allow more time for consultation.

Some people have called the proposed creation a monstrosity that would ruin the view, while other opponents have likened it to 'Disneyland'.

Last year EDDC announced plans to erect sculptured waves and pillars at Fisherman's Gap as part of a wider 'hot spot' scheme for key entry points to Seaton and the Jurassic Coast.

A planning application was submitted and designer Helen Shackleton said at the time: "The thought-provoking words 'Waves shape the shore' and 'Shore shapes the waves' are deliberately set on top of the wave almost as reflections of each other showing the interactions between land and sea taking place."

But apart from a degree of public opposition, the project was brought to a halt when the Environment Agency formally opposed the idea.

EDDC went back to the drawing board and managed to win the approval of the Environment Agency.

The planning application was heard during the Development Management Committee's February meeting but committee members decided that more consultation was needed and deferred the matter.

An EDDC spokesperson said: "The decision was deferred for further consultation with the town council and local residents. There will be a stall at the Grizzfest event on February 28th."

SIDMOUTH & OTTERY

Wright and Swire clash in latest row

A WAR of words has broken out between the two frontrunners in the race to represent Sidmouth and Ottery after the general election in May.

Local councillor and independent candidate Claire Wright clashed with sitting MP Hugo Swire over the issue of local authority funding, in the latest round of verbal sparring ahead of polling day.

Mrs Wright accused the Conservative minister of failing to "speak up" for his constituents during a crucial House of Commons debate on new measures to restrict council budgets.

But the MP responded angrily to what he called a "personal attack" aimed at grabbing headlines in the run-up to the election.

While Mr Swire remains the clear favourite to hold onto the East Devon constituency, the odds on Mrs Wright snatching the seat have tumbled since she announced her candidacy in the autumn.

Alongside UKIP, the pair are now the frontrunners in the election and have clashed on a number of occasions during a heated contest.

The latest scrap broke out when Mrs Wright, a representative for Ottery on East Devon District Council and Devon County Council, accused Mr Swire of "cowardice" for failing to speak out against further council cutbacks.

It has now been confirmed that local authorities will see their budgets slashed by a further 8.5 per cent this spring, despite warnings that councils cannot cope with more cuts.

According to the latest odds from Ladbrokes, Mr Swire remains the favourite to retain the seat, with both Mrs Wright (independent) and UKIP's Andrew Chapman at 10/1.

Progress made in fight to save St Michael's

by Jack Dixon
jack@pemedial.co.uk

CAMPAIGNERS working to secure day care services in Honiton say they are looking at alternative premises – including the St John Ambulance building – in case a deal to save St Michael's cannot be agreed.

A small team of community leaders is currently fighting to keep the town's treasured day centre up and running, despite county council plans to close the facility and relocate visitors elsewhere.

They hope to strike a deal to maintain some services at St Michael's, but say they will keep their options open in case other opportunities arise.

Honiton's Deputy Mayor John Zarczynski is one of a group of town councillors leading the project during its early stages.

He said good progress was being made and that members of the project team had visited the recently marketed St John Ambulance building to assess its suitability for providing day care services.

"It is an excellent building," he said.

"It would be absolutely perfect for what we would like to achieve. We want to be able to offer a service where people can call in if they are lonely, hungry or cold – not just by referral.

"We are hell-bent on this and we are looking into alternative facilities should we not be successful in securing St Michael's."

Devon County Council announced last year that it would be withdrawing its funding for day centres, as part of a programme of cost-cutting measures.

And St Michael's is currently

preparing for closure, with the council seeking alternative provision for many of Honiton's elderly residents who make use of its services.

Councillor Zarczynski is currently steering the project along with fellow town councillors Jackie Wadsworth, Roy Coombs and Henry Brown, and the TRIP community transport association has also expressed an interest in becoming involved.

He stressed that the group had only made initial enquiries into the availability of the St John Ambulance building and that charity bosses were planning to put it up for auction to the highest bidder.

St John Ambulance announced earlier this month that it will be selling the building in Haydons Park due to underuse. The charity says it will remain "active and busy" in the town.

Consultation launched on sports pitches

COUNCIL bosses have launched a public consultation on the latest phase of a project to improve sports facilities in Honiton.

Local sports clubs and other stakeholders will be encouraged to comment on East Devon District Council's playing pitch strategy (PPS) over the next

few weeks. Once approved, the strategy will help to guide investment in sports facilities for Honiton.

Initial proposals to build a brand new facility at Tower Cross will remain part of the strategy and will be developed at the same time as improvements to existing pitches.

District councillors endorsed a draft version of the strategy at a recent meeting, after officers met with Honiton's sports leaders to hear about some of the problems facing local clubs. Pitch provision is a major issue at Mountbatten Park, where Honiton's senior football and cricket teams currently share overused pitches.

The youth football club is also in desperate need of additional pitch space and is currently playing on poor quality fields at St Rita's.

Honiton Rugby Club has reported drainage and maintenance issues with its pitches at All Hallows and the Honiton Hornets hockey club has also expressed its urgent need for a dedicated playing facility.

The consultation will run until March 16th, at which point comments will be considered and fed into the final PPS document.

THRILLED: Angela Blackwell
Gem Southam at the opening

MORE than 100 people attended the opening of Thelma Hulbert Gallery's latest exhibition *Blossfeldt - Arts Forms in Nature* – a photography exhibition.

This Hayward Touring Exhibition from the South Bank Centre, London, presents an original portfolio of 40 photographs from 1932, showing his signature close-up images of plants and flora.

Professor Gem Southam of Plymouth University, who opened the exhibition, said he was one of the defining photographers of the 20th Century, and explained that Blossfeldt's success came in later life when his photographs became highly celebrated amongst early modernists and Surrealists during the late 1920s.

Thelma Hulbert Gallery curator Angela Blackwell: "We are thrilled to have secured another key exhibition from the Hayward Gallery following on from our recent Matisse exhibition."

The exhibition runs until March 14th.

■ MORE than 50 children attended a photographic workshop at the gallery during half-term.

The presence of a silver tent on the gallery's lawn was explained by Fiona Page-Turner, who said: "It turned out to be photographer Sam White's giant camera obscura with groups and families huddled inside.

"Visitors could hear gasps and squeals of excitement from the children in the tent as they made im-

King's Road accident

THERE were no major injuries when a driver hit a wall in King's Road, Honiton, on the afternoon of Friday, February 13th.

Emergency services were called at about 1:30pm, and a spokesperson for the fire and rescue service said: "One appliance from Honiton was mobilised to assist with scene safety at a road traffic collision involving one vehicle and a wall."

An ambulance attended but a spokesperson for the service said nobody needed hospital treatment.

Dementia evening

HONITON Patient Surgery Group will host an event called 'How To Recognise Dementia and Become a Dementia Friend'.

The event will go ahead at the surgery on Tuesday, February 24th at 7pm.

A spokesperson said: "This evening will be ideal for those who may have heard about the very topical subject of dementia – or those who may have stood in a queue and not understood the behaviour of the person in front who may have the beginnings of dementia – and wish to learn more and how to recognise the signs."

Places will be limited, so those wishing to register an interest should call Lorraine on 01404 548544 or e-mail honiton.feedback@nhs.net

Encouraging responsible pet owners with new publication

EAST Devon District Council is "doggedly" continuing to encourage responsible pet ownership across the area.

Following a successful series of annual dogs' days out, where owners and their canine friends could enjoy a social gathering whilst learning more about getting the most from their pets, the council's environmental health team has produced an occasional newsletter covering many aspects of dog ownership.

And to celebrate the launch of "The Daily Wag", the council has

donated some of the proceeds of the doggie events to two charities that care for and re-home unwanted animals.

Last week, cheques for £800 were presented to representatives of Ferne Animal Sanctuary in Chard and ARC Animal Rescue Centre in Ottery St Mary.

Ferne provides a refuge for a wide range of domestic and farm animals, including dogs and cats, while ARC concentrates on rescuing and re-homing dogs.

The donations came from the proceeds of fees paid by dog owners to have their pets chipped at council-run open days.

"The Daily Wag" newsletter contains essential information for anyone who owns a dog – or is contemplating getting one.

■ **POUNDS FOR PUPS:** Environmental health officer Jill Wheller (centre) presents cheques for £800 each to Sharon Pavey (right) of Ferne Animal Sanctuary and Crystal Scott, manager of ARC Animal Rescue Centre

There are reminders that there is a lot to think about when you decide to share your home with a dog – not only whether you are able to give the commitment required but also what size and breed of dog is most suitable for your family and lifestyle.

There is also essential information about obedience training, feeding and exercise, pet insurance, leaving animals alone at home or in hot cars, collars, tagging and chipping and, of course, the perennial issue of fouling pavements and public places.

Written in the same style as "The Seagull Gazette", environmental health's previous guidance newsletter, "The Daily Wag" is available from a number of outlets throughout the district – or it can be posted or emailed by applying through

the council's website.

Recommending the newsletter to all the district's dog owners, Councillor Iain Chubb, cabinet member for environment, said: "Everyone's pet hate is dog mess. Whilst we provide facilities for owners to bag up the mess and put it in bins that we empty, the weak link in the chain is the irresponsible dog owner. The newsletter says thanks to those who do pick up and reminds those who don't that they should be doing so.

"I'm sure we're barking up the right tree with this publication, which is part of our ongoing commitment to informing dog-owners in the district of their obligations. Doing the right thing is best for

the dog, the owner and for the rest of East Devon's residents and visitors.

"The Daily Wag", as its title suggests, is a fairly light-hearted look at a serious subject and we hope that it will not only be a good read but will deliver some positive results in improving responsible dog ownership in East Devon."

Hospital hearing adjourned

A JUDGE at the Royal Courts of Justice in London adjourned a hearing into Northern Devon Healthcare NHS trust's (NDHT) decision to temporarily transfer in-patient beds at Axminster Hospital to Seaton Hospital.

The process of the decision has been challenged but

Judge Mrs Justice Patterson adjourned the hearing last week to give the trust time to work with Axminster Hospital League of Friends to establish whether enough registered nurses can be recruited to reopen the beds at Axminster.

Since the controversy arose

early this year, the two bodies have, along with Axminster Hospital Action Group, joined forces to try and recruit enough nurses.

An NDHT spokesperson said: "The trust is required to report back to the court on Wednesday April 15th to update on progress."

Littletown gymnasts take home four trophies

LITTLETOWN Primary Academy in Honiton may have to expand its trophy cabinet after four teams all triumphed in Devon School's gymnastics competition at Exeter Gymnastics Club.

A total of 24 talented gymnasts from Littletown Primary Academy took part, spread over four teams: under nine girls, under nine mixed, under 11 girls and under 11 mixed. Each gymnast had to perform a one-minute floor routine to music, and two vaults in front of the judges.

The morning started with the U11 girls team.

They had a fantastic competition against seven other schools and took the team gold with a whopping 116.4 points – nearly seven points clear of the school in second place.

Hollie Moulton took the individual silver medal and Faith Symons the bronze.

The other teams competed in the afternoon and also had great success.

All teams finished in first place,

enabling Littletown to take home a haul of trophies at the end of the day.

The U11 mixed team had a very close competition but managed to beat the team in second place by one tenth due to excellent, well-executed floor routines.

Erin Blackmore took the individual bronze medal home in the U11 mixed competition.

In the U9 competition, Caitie Lee took the individual gold medal and Skye Symons finished in second place.

Year 4 teacher and gymnastics coach Rachel Bodgin said: "All gymnasts performed to the best of their abilities and really gave it their best shot.

"They have been working so hard during the run up to the competition and totally deserved this success.

"They all showed such determi-

nation and great team spirit – I couldn't be more proud.

"Mrs Whitehead will need a bigger cabinet for Littletown's trophies."

Gallery gains tourism silver

HONITON's Thelma Hulbert Gallery earned a silver award at the South West Tourism Awards 2015 (Access & Inclusivity category).

The success follows a recent gold and the Winner of Winners award at Devon Tourism Awards.

Curator Angela Blackwell said: "We are on a roll."

Speaking for East Devon District Council, which runs the gallery, councillor Tom Wright said: "The gallery is a great asset to East Devon and inspires so many of our community with their outstand-

ing exhibitions and particularly their educational programme of workshops and activities."

The Thelma Hulbert Gallery goes forward to the national finals of the Visit England Awards, which will be held in Newcastle in May.

Call to honour town's forgotten hero

A LOCAL history enthusiast is leading calls for a radical 19th century politician, dubbed 'Honiton's forgotten hero', to be honoured with a dedicated memorial in the heart of the town.

Community activist Tony Simpson, an expert in Honiton's heritage, says the town's pioneering former MP Lord Thomas Cochrane deserves to be remembered alongside Honiton's most famous sons.

The life of the former naval commander has been well-documented in the history books, but Mr Simpson says Honiton has overlooked a figure who was "more important to the town than Nelson or Magna Carta."

He says it is high time that Cochrane, who represented the town in parliament for a short period during the 1800s, is recognised with a fitting memorial, or even a visitor attraction, to celebrate his contribution to Honiton's heritage.

"Historians say that Cochrane is one of the most important naval figures alongside Nelson," said Mr Simpson.

"But he also famously campaigned here for parliamentary reforms we now take for granted, like universal suffrage and the end of 'rotten boroughs'.

"Honiton was regarded as a 'rotten borough' for 29 parliaments because a minority of men, called 'potwallopers', who were paid to vote for candidates by their local agents.

"The Honiton election of June 1806 is famous because the great reformer William Cobbett joined Cochrane to expose these and other corrupt practices."

Cochrane was also a famous sea captain and his life is said to have been the inspi-

ration behind the 2003 film *Master and Commander*, starring Russell Crowe.

Some of the country's top historians

have written about Cochrane, but he is rarely mentioned in the town he fought to reform.

Mr Simpson added: "We have plaques recording the fact that Nelson and Dickens came to the town, but nothing about this amazing hero who stood for parlia-

ment here. Who else of such stature has such a link with Honiton and is buried in Westminster Abbey?"

"I would like to see some form of memorial marking the election and Cochrane's place in our history, or even an exhibition which could bring in visi-

tors. Perhaps we could invited Russell Crowe to unveil a plaque."

Mr Simpson is to give a talk on Cochrane to U3A members at the Beehive tomorrow (February 18th), which includes an extract from a play he has written about the 1806 Honiton election.

Royal Navy award

A FORMER Honiton Community College student has won a Royal Navy award from his Plymouth-based warship, HMS Somerset.

Leading Seaman Peter Bartlett-Horwood, 28, received the Winner of Warfare Branch award during a ceremony in Devonport Naval Base that recognised the achievements of personnel on board HMS Somerset.

He received the award for his leadership skills in the operations room, especially during recent period of vital operations where his performance was exemplary.

Peter has served in the Royal Navy for two years where he serves as a leading seaman and operations room supervisor at the heart of the ship.

The ship's commanding officer, Commander Michael Wood, presented the awards on board.

He said: "Of all the tasks that I have, nothing gives me greater pleasure than recognising the tremendous achievements of my people."

He added: "The awards highlight the vital contribution that everyone makes, even though they have very diverse roles."

Peter said: "To receive this award was a shock to say the least. Within two years of being in the Navy I've received my two awards including the warfare department efficiency award."

He added: "This is the only deployment I have had and I have enjoyed it. There have been highs and lows but when I eventually leave this ship I will look back with fond memories of my time on board."

Looking good at Fuchsia Fashions

FIONA and Chloe invite you to visit their newly refurbished boutique in Seaton, Fuchsia Fashions.

The shop re-opened earlier this month and the pair are hosting a launch party this Friday (February 27th), where pink bubbly and nibbles will be served from 4pm.

Fuchsia Fashions is a bright and welcoming fashion boutique. This stylish little shop offers a lot of options when it comes to making fashion choices, acting as an agency to sell your clothes, shoes and handbags on a 50/50 basis.

Fuchsia Fashions sell a mixture of handpicked designer, top high street, handmade and classic clothing, shoes and accessories.

They provide a fun way to sell your seasonal clothing, shoes and handbags. The type of clothing accepted is designer and top labels within two seasons of age - for example, Karen Millen, Ralph Lauren & Burberry tailoring. The top high street brands include labels such as Hobbs, Whistles & Jigsaw. High street collections are also considered, such as 'Next Tailoring' (but not Next basic

wear) and 'Per Una Speciale' (but not Marks & Spencer basics), Topshop, Zara & collections.

menswear or very casual basic clothing are not accepted.

To successfully achieve a sale, clothing needs to be in good condition (freshly laundered and pressed or dry cleaned) with no marks or stains, missing buttons or broken zips. All labels must be intact with no red sale markers.

Fuchsia Fashions will accept up to four items per person on a 'sale or return' basis; you, the customer, will receive 50 per cent of the best achievable price. Just leave your four items (plus shoes and handbags) with them in a bag along with your telephone number and email. All garments are checked, stocklisted and priced within three days, receipts can be sent by email or will await your collection from the shop.

Fiona and Chloe take great pride in pricing each garment individually according to current trends. However, if you do have a reserve price, please inform them alongside your contact details.

Panto magic at the town hall

■ THE full cast singing the traditional Seaton Song at the end of the performance

SEATON Panto's production of *Aladdin* had just about everything a panto should have.

Spirits, ghosts, princesses, emperors, comedy policemen and of course a loveable dame.

It also had lots of opportunities for audience participation and, on Sunday, they certainly did participate – and loudly!

The villain Abanazar (played with just the right amount of cunning and evil by Phil Christmas) was enthusiastically booed and hissed at every appearance.

The whole cast performed with great timing and vitality. Widow Twankey (Ian Waite) had the audience in the palm of his experienced hand in no time at all.

The two leads, Aladdin (Lauren Weber) and Princess Mandarin (Caraleigh Bradley) gave very mature performances and their harmonies were first rate.

Ben Malone as Wishy Washy and Holly Stock as the Spirit Of The Ring ably supported the main characters with charm and energy and Milly Chaplyn, as So Shy, revealed a beautiful singing voice.

Val Christmas and Mark Mills Durston were the comedy policemen who managed to amuse and confuse both cast and audience with clever word play and well-timed slapstick.

The young ensemble of citi-

zens, spirits and ninjas threw themselves into their parts with commitment and a considerable amount of enjoyment, judging by their faces, and the costume design made this a glittering, glitzy extravaganza.

Just what was needed on a damp February night in Seaton.

Special mention should also go to the set design and the lighting effects and, of course, the live music performed by Roger Grose and his team.

All in all, thanks to director Mary Bowles and her team – a thoroughly enjoyable evening

Norman honoured for more than quarter of a century of service

SEATON man Norman Owen has been made an honorary life member of Axe Valley Heritage Association.

Twenty-seven years of loyal and unflinching service to Seaton Museum earned him the title.

He was presented with a certificate on Tuesday, February 17th, and said it was a great surprise. He added: "Ted Gosling [the museum curator] kept it very quiet, but it is very nice. I'm amazed, I didn't realise I had been involved that long."

by Anders Larsson
anders@tindlenews.co.uk

Seaton Mayor Gaynor Sedgwick had been asked to present the certificate, and said she was "so impressed" by the service Mr Owen had given to the museum and the town.

She is photographed handing over the certificate to Mr Owen under the watchful eyes of museum committee members.

SEATON Museum will stage a temporary exhibition called Roman Britain and the Seaton Connection at Honey Ditches when it opens in May.

The exact opening date is yet to be announced but museum curator Ted Gosling said: "We hold a large number of Roman artefacts from Honey Ditches and the outstanding Norman Whinfrey collection.

"We do miss Norman, who ranked among the top authorities on Roman history and was one of our museum founders.

"On display will be a library of books on Roman

Britain, including reports on excavations at Honey Ditches – and assistant curator Helen Newbury-Arshad, a graduate of archaeology, will be present to answer any queries."

Honeyditches, which lies on the edge of modern Seaton, is described by the museum as "one of the most important and puzzling Roman sites in Devon".

Assistant curator Helen Newbury-Arshad is pictured with curator Ted Gosling holding what has been identified as a Roman slingshot, which has recently been donated to the museum.

Seaton Primary School round-up

■ **RECORD ATTEMPT** | Year Four pupils at Seaton Primary School have helped a charity with a world record attempt.

Sign2Sing is an annual event organised by deaf health charity SignHealth, which works to give deaf people the same access to healthcare that hearing people have.

Seaton Primary School

teacher Lucy Wilkinson said: "The world record attempt was to achieve the most number of people singing and signing the same song – 'Friends Forever'.

"Pupils led the school to learn the signs and words to the chorus.

"We are still waiting to hear if it was successful."

Participating schools and

other groups helped with the event on a day of their choice between February 2nd-8th.

A SignHealth spokesperson described the size of the task by explaining that the record they were trying to beat stood at 144,500 people.

Seaton Primary School raised £100 for the charity in the process.

■ **TUCKING IN** | A feast of Indian cuisine at a local restaurant was part of a multi-cultural initiative at Seaton Primary School.

Each year group studied a different country and took part in a range of relevant activities.

Year Two pupils, for example, studied India and visited the Tandoori Tonight restaurant in Seaton.

A school spokesperson said: "The children were treated to a feast of traditional Indian cuisine and even got to watch the chef make some naan bread in a real tandoori oven."

Year Two teacher Lizzie Trewick added: "The children really enjoyed the experience and we would like to thank the owners, Abu Sohail and Shaheda Rupa, for their generosity."

AXE Valley Pedallers switched from Seaton Tram Station to Axminster town centre as a starting point for the Sunday cycle ride on February 8th to get a head start for their trip into Dorset.

A total of 19 pedallers set off on a scenic route devised by ride leader Ben 'Buster' Dolan, taking in some challenging hills and a recuperative coffee stop at Broadwindsor Craft Centre.

The groups travelled along the Stopline Way to Weycroft Bridge, then through All Saints and crossing the busy A358 and the London railway line and heading into the lanes at Waggs Plot.

The riders then negotiated the twists and turns to Birdsmoorgate before Pilsden Pen loomed up on the left and Broadwindsor was not much further.

After coffee the return leg took in a big climb at Thorncombe before reaching Crewkerne Road at Blackpool Corner and splitting in two as riders made their way back to Axminster or Seaton, with almost 40 miles covered. For details of all rides visit the website www.axevalleypedallers.org.uk

Specialist Dementia Care in Exmouth & Devon

Give Your loved One The Gift Of A Fulfilling Life At Rose Lodge Care Home

Imagine the peace of mind you'll feel knowing that your loved one is getting the best possible care in a loving and understanding environment. Located in the delightful seaside town of Exmouth, Rose Lodge is the perfect place for people living with Dementia to experience the highest quality of life.

Caring for someone with dementia yourself can be tiring and often very distressing. Coping with someone whom you may have known and loved for years but who may now often fail to recognise you can be desperately upsetting and difficult to deal with.

Rose Lodge is an active and social home. We have found that people with dementia are generally happier when they are supported to be as active and independent as possible. Our weekly activities programme includes gardening, live music, drama, singing, crafts, a pub quiz, rambling, art, and trips out, as well as individual occupational activities.

So, moving into a home like Rose Lodge is the perfect way for you to give your loved one the best quality of life. In our 2011 relatives survey, all relatives agreed that Rose Lodge offers an excellent quality of care and that their loved one's wellbeing has improved significantly since they joined Rose Lodge. All of them said they would recommend Rose Lodge to their friends.

We offer DAY CARE, RESPITE CARE and RESIDENTIAL CARE and free trial days.

Please call Peter or Karen now on 01395 227071 to discuss your needs.

New Christmas lights association calling for support from residents

MEMBERS of newly formed Axminster Christmas Lights Association (ACLA) look forward to working with a host of groups and organisations to light up the town.

ACLA recently received a somewhat controversial £3,000 grant from Axminster Chamber of Commerce (see story on page 1 & 4 of the Axminster edition) - but is looking forward, not backward.

ACLA member Mark Regansaid: "We would like to say a huge thank you to Axminster Chamber of Commerce for the recent kind donation of £3,000 to kickstart the fundraising campaign for this year's Christmas lights display.

"We look forward to working closely with the chamber in the future, together with other local organisations, schools, charity groups, community groups and local authorities to achieve our one and only aim - to light up the town at Christmas time.

"In addition to this generous donation, we are happy to learn that Axminster Town Council has agreed to set aside up to £2,000 to match-fund our campaign."

Work is at an early stage, and Mr Regan explained: "We are hoping to meet with the mayor and the town council over the coming months to outline our plans and to obtain their agreement on designs, placement et cetera - and we will work closely with them to en-

sure that we meet all of the conditions attached to their match-funding offer.

"However, despite these generous donations, we still have some way to go in achieving our objective of lighting up Axminster during the festive period, not just for 2015 but every year thereafter - bigger and better, year on year."

A number of fundraisers are planned and Mr Regan has already noted a great response from many Axminster businesses, ranging from offers of donations and raffle prizes to displaying collection tins.

He said: "We will be approaching every business in town over the coming months to seek their support for this very worthwhile campaign.

"But, above all else, we appreciate that many hands make Christmas lights work, and ACLA is seeking new members to make this campaign a roaring success.

"We need your support. Donations can be made via one of our many collection tins in some 50 outlets in and around Axminster or you can donate by simply becoming a member of the association. Don't worry - voting and attendance at meetings is not mandatory."

More information is available from Mark Regan on 01297 34565 or Paul Hayward on 07934 430413.

Phoenix ladies entertained with traditional Tudor tunes

A FASCINATING and entertaining event took place at Axminster Phoenix Ladies Club's February meeting, when Anne Grey, together with partner Gareth, performed a selection of songs written by Henry VIII.

Accompanied by a variety of Tudor instruments, Anne and Gareth played on cow, sheep and goat horns, pipes, sac butts - fore runner of a trombone - harps, fiddles and shawms. A number of these instruments originated from Italy, Germany and the Low countries whilst some were brought back

into the country by the Crusaders, who purchased them from Moorish traders.

Songs included such gems as "Hey Trolly Lolly", not to be confused with a modern trolley dolly, and "Fortune my Foe", a haunting and sombre refrain. Most songs depicted love, especially the unrequited variety, showing a more sensitive side of a monarch who, at an impressive height of six feet, loved hunting, hawking, jousting and other athletic pastimes.

His love of singing led him to composing music

Greens welcome swell in members

THE East Devon Green Party (EDGP) celebrated the arrival of more than 100 new members at their February monthly meeting.

Nationally, the party has been experiencing a huge increase in membership, surpassing both the Liberal Democrats and UKIP in recent weeks.

The rapid growth of the party, dubbed "The Green Surge", has reflected on a local level with the EDGP almost doubling their own support since last November it was revealed last week.

At the latest monthly meeting, held on Thursday, February 12th at the Sidmouth Unitarian Church, the long-term party members were outnumbered by new arrivals and the meeting even had to be extended to hear from everyone who wanted to speak.

EDGP co-ordinator, Emily McIvor, who has just been selected as the Green Party's parliamentary candidate for the Yeovil constituency in South Somerset, said: "The meeting was really positive and it was great to see so many new faces, we have had around 100 new members join since last October and we are looking forward as a group to ensuring an active Green Party presence across the district in the lead up to the elections."

Honiton town councillor and Green Party ac-

tivist, Sharon Pavey, added: "This is such an exciting time for The Green Party with so many new members joining us all looking for a fairer, more equal future.

"We've had such great support in and around Honiton. Now we can really build on that local support with the help of all our new members."

The party have selected Paul Edwards as parliamentary candidate for the Tiverton and Honiton Constituency. Paul received overwhelming support from members voting in a selection ballot, and the party are looking forward to running an active Westminster campaign.

Alarm alerts neighbour to Luppitt cooker fire

ALL occupants were safely accounted for after what was described as a "small cooker fire" in a house in Luppitt, near Honiton.

Firefighters were called in the early hours of Wednesday, February 18th at about 4.40am. The alarm was raised by a neighbour who heard a smoke alarm activating.

A spokesperson for the fire and rescue service said: "Two fire appliances from Honiton were mobilised following a report from a neighbour of a domestic smoke alarm sounding and that they were unable to raise the occupants.

"Shortly after arriving, crews confirmed that there had been a small fire involving a cooker in the kitchen and that it was out on arrival.

"After carrying out an inspection, ensuring the occupants were accounted for and given fire safety advice, duty of care was left with the occupant."

Women's Institutes ROUND UP

COLYTON

PRESIDENT Jean Hutton was delighted to welcome a new member, Sheila Smith to the meeting of Colyton WI.

Birthday cards were distributed and the prizes presented for competitions in 2014. The winner for the general competitions was Jacky Roberts Wake with Jean Hutton and Elizabeth Cochrane tying for second place. The Flower of the Month competition was won by Brenda Clark with Jean Underdown in second.

Various events were mentioned, including ook club on Tuesday, March 10th, the spring council meeting in Torquay on April 22nd and the streaming of the National Federation of WIs annual meeting and 100th anniversary celebrations from the Royal Albert Hall, London, at The Gateway in Seaton on June 4th.

The branch had received a cheque from Colyton Carnival Committee for its contribution towards last year's carnival week, which the ladies will be raising further funds for with a coffee morning on August 15th and a stall at Petticoat Lane.

Suggestions are welcome for how the Colyton branch should celebrate the centenary of the WI.

A talk was then given by member Jacky Roberts Wake on "Watermills of the River Coly". Members learned of the different ways of harnessing the power of water by water mills, its use as clean and cheap power plus information on various mills.

They explored the Tannery, Umberne Mill, Coles Mill and Colcombe, which between them produced leather, corn, dairy products, paper, malt and a sawmill. The vote of thanks given by Elizabeth Cochrane and tea was then served by Julie Scurfield and Katie Darby.

The competition for bread rolls was won by Jean Hutton and Flower of the Month by Teresa Hatton for her beautifully knitted daffodils. Brenda Clark came second and Jean Hutton third.

The next meeting will be held on Tuesday, March 17th, 2.15pm in St John Hall, Colyton. Visitors welcome.

HONITON AFTERNOON

AT the February meeting of Honiton Afternoon WI members stepped back in time to enjoy a visual tour of the very many old Honiton inns, guided by Trevor Hitchcock BA.

He began his presentation by showing a beautiful watercolour painting by Brigitte Flammannt entitled "Ye Olde Inne". Members were then shown a wide variety of inns, some of which were also hotels, and Trevor accompanied each picture with many fascinating stories of life in Honiton over the past five centuries. In 1530 there were 56 inns but by 1870 this number had been reduced to 27. At one time there were 11 in New Street alone.

As time went on these numbers decreased significantly as the railway arrived in Honiton, making the journey to London much easier, and therefore there was much less need for the stagecoaches. After the Army Camp closed in more recent times the inn numbers decreased further still.

It was interesting to note that despite the many changes over the years to the use of the various premises, the High Street remains much the same in appearance. Jenny Townsend gave the vote of thanks at the end of a very entertaining afternoon.

The next meeting is on March 9th, 2pm at the Methodist Chapel when John Stuart will speak on "Exmoor and the Doones". Visitors are always very welcome to attend.

AXE RIVER

AFTER a rather chilly start, the members of Axe River WI, based in Axminster, were given a talk by Alan Nicholas on "The History of Lighthouses Around the Coast of Devon and Cornwall".

Members were all interested to learn about the early designs and building materials used, together with their modern day counterparts the light ships, buoys and houses. They were also told about the working life of a lighthouse keeper and his duties.

After a vote of thanks, the group enjoyed tea and cake as both members and guests viewed both the ex-

hibition of "Sea Shore Findings" and the bring and buy stall before the commencement of the business meeting.

For information on future meetings, contact president Ann Keane on 01297 59895.

SEATON

THE February meeting of Seaton WI was held at Seaton Methodist Church Hall, where 17 members were welcomed by Margaret Nicholas, standing in for president Ann.

Margaret welcomed everyone and "Jerusalem" was sung accompanied by Mary Fone. Discussions were held about upcoming events, which included visits to Torquay for the spring council meeting, to the Norman Lockyer Observatory and the live streaming event of the WI centenary annual general meeting from the Royal Albert Hall in London at The Gateway, Seaton, on June 4th.

The guest speaker was Ken Basterfield from Blackbury Honey Farm, who gave an interesting talk and slideshow on the whole aspect of beekeeping and their work at Blackbury Honey Farm, which includes the training of beekeepers and the products that the family produce from the bees. Val Rutter gave the vote of thanks.

The Flower of the Month Competition results were as follows: 1st Denise England, 2nd Val Laughton, 3rd Val Rutter.

The next meeting will be held on Tuesday, March 17th when the subject will be "Projection in Cinema" by Chris Hine. New members and visitors would be most welcome.

COLYFORD

PRESIDENT Margaret Nicholson welcomed the members, visitors and speaker Roy Jones and his wife to the Colyford WI's February meeting.

Roy then proceeded to give a most illuminating talk about researching your family history, and the very interesting things he discovered whilst researching his own families. From pillars of the establishment to smugglers, his family sounded anything but ordinary.

It was agreed that the festive lunch at Lyme Regis Golf Club was a great success and hugely enjoyed by all. Details were then given for the trip to the Norman Lockyer Observatory, and also for Chatterbox in March at the Rousdon Bakery.

Margaret Barrow rounded off a most enjoyable afternoon with an interesting biography of long-standing WI member Brenda Duffell.

ALL SAINTS

TONY Simpson of Anti-Salavery International's Exeter branch, gave an insight into slavery in Devon for members and visitors of All Saints & District WI.

Britain started trading in slaves in the middle 1500s, transporting anywhere between 200 to 500 men, women and children in each ship, to the Americas, and Britain in purpose built ships where they were at sea for months in the most appalling conditions with a 30 to 40 per cent mortality rate. Many people in Devon grew very wealthy from the trade.

By 1783 there was a movement to abolish slavery but it took until 1807 before the act was passed in parliament and this went hand-in-hand with paying off the slave owners. All in all, £20million was paid out to the slave owners; 86 of them from Devon.

Members agreed they would like to think that, in this day and age, slavery didn't exist but the sad fact is there are as many slaves now, as there have ever been, and though they aren't bought into the country in specially-built ships having travelled many months, once they are here, their plight is just as tragic.

The next meeting of the All Saints & District WI takes place on Tuesday, March 10th at 2.30pm in All Saints Village Hall, when the topic will be "The History of Narrow Boat Art and Demonstration". Visitors and new members are most welcome.

KILMINGTON

The minutes were read and there were no matters arising for discussion when Kilminster WI met this month. Two visitors were present and the group was delighted to welcome them and hopes that they will become regular members.

The spring council meeting is in Torquay this year on April 22nd when Alice Roberts will speak. Two members wish to go if a coach is available.

Various notices were read from county HQ and then the National Federation of WIs annual general meeting at the Royal Albert Hall was talked about and

members hoped Joy would be able to attend.

This is a big year for the WI as it is the national centenary year and there are various special meetings throughout Devon and the whole country. A baton is passing all over the country and is in Devon from February 24th to March 3rd to mark the occasion of the WI's beginnings, the purpose of which was to give countrywomen a voice in local and national affairs.

Final arrangements were made for transport to the quiz in Offwell. This year there are two teams from Kilminster entering.

This year's entry to the WI section of Axe Vale Festival will be a depiction of a decade within the WI centenary years, as per show schedule.

Discussion was held about the April 11th ploughman's in support of Devon Freewheelers, which is an organisation of motorcyclists who transport blood and vital organs for emergency and other medical requirements. WI members heard their representatives speaking at the autumn council meeting at Barnstaple and decided it was a worthy cause to support.

Joy won the flower competition and Phyllis was second. After a sumptuous supper, the meeting closed at 9.15pm.

The next meeting is entitled "Choice Words" and the competition is "a brand new word and it's meaning" at Kilminster Village Hall, 7pm.

MUSBURY & WHITFORD

THE February meeting of Musbury & Whitford WI was held on the 10th at Whitford Village Hall. It was members' night and the theme was the 1940s.

Marnie started the evening with a few bits of business, choosing a delegate to attend the national annual general meeting at the Royal Albert Hall, while others will attend the streaming of this at Seaton Town Hall.

The group will be making a donation towards the defibrillator at the village hall, as well as to a retiring secretary at the District Federation of WIs, as she has served 32 years.

The 1940s party then started, with real china on the tables and a variety of food from the period was on offer, including jelly, tinned fruit, and evaporated milk. There were table quizzes to take part in and the hall decorated with bunting. Bee had made genuine pinafores to serve the tea.

The main raffle prize was a 1940s-theme hamper, including a tin of Spam, and entertainment was provided by Charlotte and Ross, who performed the Lindy Hop dance with great relish, much to everyone's delight, before members had a go themselves. Charlotte finished by performing a very enthusiastic Charleston, which was outstanding.

The next meeting will be held on March 10th at Whitford Village Hall, 7.30pm. Visitors are welcome.

THORNCOMBE

ON February 10th Thorncombe WI members enjoyed a fascinating presentation on the art of Ikebana by Vivienne Dalziel, Patti Barnes and Neva Fowler.

Ikebana, from the Japanese Ike - meaning life - and Bana or Hana - meaning flowers - is a disciplined art form in which nature and humanity are brought together.

Contrary to the idea of a floral arrangement of blooms, Ikebana emphasises other areas of the plant, such as its stems and leaves, and encompasses shape, line and form. The art originated as part of the Buddhist practice of offering flowers to the spirits of the dead, and the first classical styles of Ikebana started in Japan in the middle of the fifteenth century, when the students and teachers were Buddhist priests and members of the church.

The structure of an Ikebana arrangement is delineated by three main points symbolising heaven, Earth and man. Members were fascinated by Vivienne's informative talk, which was followed by demonstrations by the three ladies, resulting in some very beautiful minimalist arrangements.

Many members went away inspired to take up Ikebana themselves in order to experience relaxation for the mind, body and soul.

The next meeting will be held on Tuesday, March 10th at 2.30pm in the Thorncombe Village Hall, when Susan Marshfield will speak on "Holidays Afloat". Hosts will be Betty Cox and Brenda Sheasby. New members and visitors will be most welcome. Contact Julia Snellcock 01460 30135 for further details.

Providing water for life

◆ **THROUGHOUT** our successful campaign to raise £10,000 for Water Survival Box, we have been encouraging our readers and local organisations in East Devon, South Somerset and West Dorset – where we distribute in excess of 40,000 papers every week – to organise a fundraising event for the charity.

Although we have now reached our target, we will still be accepting donations for the rest of the year and will gladly support further events to help us boost the fund.

A Water Survival Box is crammed with all you need to stay alive after you have lost everything – cooking and eating utensils, basic means of shelter and other essential kit – but most importantly a water-purification pump that will make clean water from dirty water and provide for a family of four everyday for a year.

If you would like to organise an event, telephone James Coles on 01297 446155 and we will promote it in our newspapers.

To make a donation, please send a cheque payable to 'Water Survival Box - View account' to: James Coles, Water Survival Box campaign, View From Newspapers, Unit 3, St Michael's Business Centre, Lyme Regis, Dorset DT7 3DB.

WE'VE DONE IT! Pulman's View campaign for Water Survival Box reaches its £10,000 target

HAVING launched a two-year campaign in aid of charity Water Survival Box in November 2013, through the support of our wonderful readers and advertisers we have reached our £10,000 target in just 15 months.

The most recent fundraising event, a quiz night hosted by the Hunters Lodge Inn,

near Axminster, raised £300 – pushing the campaign over the £10,000 mark.

Another £300 from the Rotary Club of Bridport and large donations from generous readers over the last month helped us reach our goal more than half-a-year ahead of schedule.

Other fundraisers over the past 15

months have included a skydive by View From sales executive Jenna Wellman, a walk from Seaton to Watchet by deputy editor James Coles and his brother, and a weekend challenge to visit every station on the London Underground completed by accounts manager Anita Routely.

Readers of Pulman's

View and its sister titles in West Dorset and South Somerset, along with local organisations and businesses, have also generously supported the campaign with their own events and personal donations.

Water Survival Box is a disaster aid charity founded by the Rotary Club of Chelwood Bridge in North Somerset.

Each box costs £150 and includes a water pump and filter system to provide a fam-

ily of four with enough clean drinking water to last a year, plus a wide variety of other essential and household items to help those affected by disease and poverty during disasters across the world.

Despite having already reached the £10,000 target, we will continue to accept donations for the charity until the end of the year and hope to wrap up the campaign with a charity ball in early 2016.

Seaton's 'Aladdin' panto a memorable performance

EVERY once in a while if you go to live music or theatre you will come across a special performance, a memorable time.

Seaton Pantomime Society gave one of those performances with last week's production of "Aladdin", and one that will live long in the memory at The Gateway.

Seaton Panto Society involve performers of all ages and strive to bring out the best from everyone and give our community a panto to be proud of. I enjoyed the whole matinee, from walking in the door of The Gateway and seeing smiles and friendly staff, getting my programme, taking a seat and being entertained and treated to a lovely afternoon.

The Seaton Panto Band played the opening music to great applause and the lighting crew brought the stage settings to life in a such a superb way. The performers took to the stage with great presence, telling the "Aladdin" story with clarity and sparkling humour.

The clever use of well-known songs to portray the story is all part of the Seaton panto skill to entertain... wonderful! We, the audience, were drawn into the call and response that is traditional in great pantos and it was superbly engineered by the more senior performers.

When Mandarin declared that she should marry Aladdin a sharp audience member called out "why?", which had everybody laughing and the young lady that played Mandarin paused with a giggle and a grin and carried on to her next lines... my favourite moment!

The interval came all too soon but a quick couple of steps and I had a beverage in my hand from the well-stocked bar and then an ice cream and back in time for the second half. This venue know how to serve everyone readily in time for them to draw breath sit down and be once more entertained, no mean feat.

The panto society returned to a lovely applause and the lighting crew and the performers gave us the impression that objects could float and we believed that we were seeing a man fly on a magic carpet... brilliant! (Lighting and trickery used in a magician's way!)

The whole performance was topped off with fabulous, authentic, far-eastern costumes worn by the cast in all the colours of a rainbow that really stood out under the lights, another piece of magic made possible by the wardrobe designer.

Another brilliant highlight featuring the younger members of the cast was a dance routine set to the song "Kung Fu Fighting", where the performers acted out martial art moves to the music.

The panto came to an end, the story told, it was time for a song led by the producers and directors of the society who took to the stage and invited the youngsters of the audience to join them in the sing-along and be presented with gold covered chocolate coins at the finale.

Thank you Seaton Pantomime Society and The Gateway for such great entertainment and I look forward to next years panto!

Shaking up the district council could be good news for Seaton

I READ with interest of the East Devon Alliance's aim to wrest control of the council and end what the Conservative monopoly on power.

Having seen at first hand how unanimous, local opposition to a planned development in our part of Seaton was brushed aside, first by East Devon District Council planners and then by the Tory majority on the Development Management Committee, EDA's pledges to stop inappropriate

development and open up local democracy strike a strong chord.

In Seaton we have big reasons to be dissatisfied. EDDC has failed to protect first the affordable housing and then the employment-generating hotel development aspects of the plans for the Tesco site. Shaking up EDDC can only be good news for the town.

MARTIN SHAW,
Seaton

District planning has left me in despair

IT was very exciting to read about the newly formed East Devon Alliance as I am all for a shake up at East Devon District Council.

My experiences with their planning and development departments have left me in despair and the way that Seaton is treated has been far from satisfactory for very many years.

Someone new to vote for is very welcome. The only trouble is that Seaton has not got a candidate standing for the East Devon Alliance and I am hoping this will be rectified before the May elections.

HILARY ARNOLD,

NatWest forgetting their shareholders is lamentable

I WRITE in support of Mrs Newton's letter in last week's edition of *Pulman's View from Seaton* (February 17th).

It is lamentable that those running NatWest continue to forget who their majority shareholder is, i.e. the tax payer, many of who like Mrs Newton and myself are also customers. As the directors of the company have a responsibility to run the company in the interests of its shareholders, these re-

sponsibilities I would argue are not just financial but also social and this should extend to maintaining a High Street presence in a town like Seaton, where the demographic profile of its townspeople still have a demand for traditional banking methods.

RICHARD HERD,
Seaton Down Road, Seaton

Library staff committed and hard working

I AM writing to thank the wonderful staff at Seaton Library who hosted a fun and engaging "Harry Potter" Book Night on February 5th.

In a world where people are very quick to complain, it feels important to take the time to say thank you and pay tribute to a job well done. My two little "Harry Potters" thoroughly enjoyed themselves, prancing about with their wands, casting spells, seeking the golden snitch and generally testing their knowledge of the wizard world.

In the current climate of public sector cuts, library services are very vulnerable and I would like

to take this opportunity to highlight the commitment and hard work of our local library staff. As a family, we use a variety of local libraries and the staff are always so helpful trying to source suitable books, organising competitions and events and always offering a warm welcome to the children.

We must value our libraries as they are a rare, free resource in this world, accessible to all and a wonderful means of enriching the lives of our children.

Ofcom needs to take action to retain Premier Christian Radio

I AM alarmed to hear that Premier Christian Radio is in a fight to keep its national coverage on the Digital One network, which it may soon lose.

It is potentially to be replaced by yet another pop music station. The contract for national broadcasting of Premier comes to an end on March 31st.

This waveband was originally acquired by Premier Christian Radio from Russia and has been successfully transmitting for the last 20 years despite several attempts to stop it.

In view of the fact that the majority of the UK population consider themselves Christian, and in view of the admitted bias of BBC broadcasters against Christians, I believe the programming Premier offers is both unique and essential to our nation.

It offers regular news programmes, topical discussion and original commentary. Christians like me won't be able to find anything else on the radio that

could replace it.

To transfer the bandwidth will go to yet another pop music station. This would be a real shame. There are plenty of stations that I can tune into if I want to listen to pop music - but there won't be another broadcaster that can replace Premier Christian Radio.

Ofcom needs to step in urgently to help retain Premier's national coverage. The decision to take Premier off the air waves has been taken without any real consultation, the change radically alters the output of the national network.

That is why I want Ofcom to reject this change. If Ofcom feels there might be reasons to allow it, then at the very least it should consult Premier listeners, supporters and the wider Christian community.

Thanks for supporting photographic competition

THE organisers of the photographic competition which led to the production of the 2015 calendar entitled "LIFE IN EX13" would like to thank everyone who helped raise the magnificent sum of £5,000 towards the refurbishment of the Minster church in Axminster.

Because of the response, and by popular demand, a

further competition is being held along similar lines to create a calendar for 2016 entitled "COLOURS OF EX13". This will start in March.

So thank you everyone. We hope there are lots of good photographs out for this year's competition.

Dash to Delirium THE GRIZZLY RACE

THE 28th running of the Grizzly and Cub runs start together on Seaton Esplanade at 10.30 am on Sunday 1st March - this year subtitled "Dash to Delirium" some runners do have weird brainwaves after the run - and they remain one of the toughest Multi-Terrain challenges you are likely to come across. The 20 ish mile Grizzly will finish at the same location from approx. 1 p.m., while the shorter 9 mile Cub Run which is run over part of the main course will finish from approx. 11.30 am. There are 1,812 entrants in the Grizzly with Benfleet RC bringing 63 runners (10 more than last year), Bedford Harriers 29,

Tiptree RR 27, Honiton RC 26 and host club AVR 63. There are 53 runners from the Netherlands, 2 from the USA and Cyprus plus 1 from France and Germany. There are 347 runners in the Cub Run, plus the "Grizfest" and junior runs on Grizzly Saturday. The first three from last year's Grizzly are up for the challenge again, that's winner Ceri Reed of Wild Running, Rick Weston, Serpentine RC and AVR's Patrick Devine-Wright. The Headquarters and baggage facility this year will be at Seaton Town Hall where the Runners Need (Exeter) shop, open to all will have super bargains.

OWL AND PYRAMID

OWL and Pyramid Children's Book and Educational Toyshop is organising a town trail as part of the Grizzly fun and festivities. It seems that 28 Gingerbread men and women have hidden themselves in shop windows all over town. The trail for children starts when you pick up a free entry form from me at 10 Fore Street, then continues as you solve the clues to find the location and name of each hidden gingerbread person. The trail ends when you bring your completed form back to the shop by Saturday February 28th, before five. There are prizes for the top three entries. Good luck, and you don't have to Run, run as fast as you can; you can take a few days to solve all the clues. Happy hunting!

The 28th Annual GRIZZLY DASH TO DELIRIUM

THE COURSE

The GRIZZLY course is 20 AVR miles of very tough running, around and through some of the best scenery in the country, with lots of hills, two official bogs (though some of the fields may resemble bogs) and a soupçon of undulating pebble beach.

“For the top few runners it is a very challenging race, but for the majority it is an arduous test akin to a journey of self-discovery”

This year we haven't had the rain and gales of last year but it will still be a tough endurance test. The route has been slightly modified and this year after a small loop around Seaton beach the runners will go over to Beer via Bunts Corner, Old Beer Road and Old Beer Hill, down Long Hill and Fore Street, then up Common Lane, through the Common Car Park and Caravan Site then over the common to Branscombe Mouth where there will be music by Kagemusha Taiko - Japanese-style drummers. (The Cub Run will turn left on or near Branscombe beach and return via

Under Hooken). The Grizzly proceeds to the Village Hall, then lots of private land around Gays Farm where Slapjack will be jamming, then Watercombe and Elverway before finally reaching the two bogs in the Hole area. After a severely mucky experience it's onward to The Fountain Head where the renowned Grizzly Group Stampita (formerly Rooting Around) will be boogying on. It's then back to Branscombe Mouth on the Coastal Footpath. A jaunty jog along Branscombe beach is followed by the Stairway to Heaven climb back to Beer Common, eventually returning to Seaton by way of Beer Jubilee Gardens, Clinton Way, Beer Road and Cliff Field Gardens. En route there will also be bagpipers to entertain runners and spectators.

Spectator Vantage Points

The best spectator vantage points will be at Seaton Sea Front, (Start and Finish), Beer Fore Street (3.0 miles), Beer Head Car Park (3.3 and 17.6 miles), the Sea Shanty at Branscombe Mouth (5.5 & 16 miles), Branscombe Village Hall (6.2 miles), the Fountain Head Branscombe (14.3 miles), and Beer Cliff Top and Jubilee Gardens (18 miles). Please arrive in plenty of time and encourage the runners in this mass of human endeavour. Most runners would welcome some chewy sweets e.g. Jelly Babies, or even a drink, especially near the end of the race if the weather is hot. Wherever you decide to watch, please bear in mind that the byways around Branscombe will be

very congested, so please park sensibly at correct locations, not in the lanes. Much of the middle part of the course, including the infamous bogs, is on private land and therefore inaccessible to spectators.

Challenging Race

For the top few runners it is a very challenging race, but for the majority it is an arduous test akin to a journey of self-discovery, combining Deep Ecology, spiritualism, One-ness philosophy and Multi-terrain running, and once again somewhere en route there will be a superbly constructed Grizzly Memorial provided by the kindred spirit of the Dung-beans. Runners can tie a ribbon, or place an object as they pass through, and have a shared moment of reflection on whom or what is really dear to their hearts – this can be a truly emotional experience.

POSSIBLE TRAFFIC DELAYS

THERE may well be traffic delays at Seaton as The Esplanade is closed all day on Sunday and also on Saturday afternoon for the Junior races.

Castle Hill will be closed between 10.30am and 5.00pm. Due to the Coastal path closure Beer Road will be closed for a while in sections from Castle Hill to the top of Long Hill at the start of the run then on the return Beer Road from the exit of Clinton Way to Cliff Field Gardens will just be coned off to enable the safe return of runners.

Delays in Fore Street Beer between 10.50 am and 11.30 am, Common Lane will be closed during the event, so delays will occur near the Anchor until 4.30 pm.

In Branscombe Northern Lane from Branscombe Airfield to the cattle grid at junction with Hole Hill (east), will be closed between 11.00am and 3.30pm Locksey's Lane will be closed between Branscombe Village Hall and the A3052 between 11.00am and 3.30pm. There will be a one way system in operation between 12.00noon and 3.30pm near the Fountain Head:- Up on the Right (Coxes Hill) and down on the left (Berry Hill). If going to the Masons Arms for lunch from the Sidmouth direction please keep to the A3052 and turn right just before the Beer turning and use Vicarage Hill.

The 28th Annual GRIZZLY DASH TO DELIRIUM

SPONSORS

THE main race sponsors are the technical Sportswear Specialists Scimitar (T shirts), East Devon Sports Therapy & General Injury Clinic, Seaton and Every's Solicitors (race numbers and banners).

Other race sponsors are Tesco, Seaton (car parking and bananas), Photo-fit.net (Event Photography), Axminster Tools (postage), SAK Logistics (van hire), Quicks Engineering (SW) Ltd, Axminster (trophies), East Devon District Council (car parking), Devon County Council (Marshlands Centre – first aid) and Axe Skip Hire (waste skip at finish).

Huge thanks all the shops and local businesses as always getting completely behind the Grizzly and going to town with their decorations and activities - it's going to make the Town come alive for the weekend.

There is a fantastic Grizfest being planned that is crammed full of activities for locals and visitors alike starting on Friday 27th Feb Mad Dog McRea (+Sound of Sirens) at The Gateway, Seaton Town Hall from 7.30 for 8pm, then on Saturday at 10am the Grizfest will get underway in Seaton Town Centre. The 2K family run will start at 2.15pm and the 4K race at 2.45 from outside the Hook and Parrot. On Saturday evening at 7pm for 7.30pm there is the Annual Griz

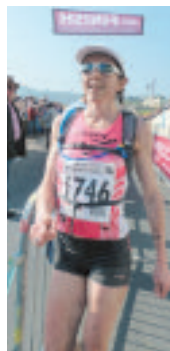

Quiz at The Gateway, Seaton Town Hall.

On Grizzly day at 8am the Grizzly Café is open for breakfast at The Gateway, then for the spiritual side of the event an open air service is being organised by Churches Together in Seaton from 9.30am to 10.15am at The Amphitheatre.

There is so much going on so please check out axevalleyrunners.org.uk/grizzly/home for all the activities.

So all is set for a great Grizzly and Cub 2015, let's hope we have a fine day to enable you to come along and join us in all the fun.

James has big hopes!

by Kevin Fahey

JAMES Green can expect rousing support when he returns through Beer into the final straight for the Grizzly on Sunday.

The village born runner - tackling his third Grizzly and following a good build-up will be looking for a big improvement on his 50th place twelve months ago.

For a former national class sailor and then footballer that was a terrific effort but clearly Green, who will be joined by a huge contingent from his club Axe Valley Runners, is expecting more.

"I just love running and what could be better than running in one of the best places in the World through the Branscombe Valleys and Beer Head," said Green.

"And as the Grizzly takes that all in then it is the event to do."

Not that local knowledge will guarantee Green or his AVR team-mates success as he only too painfully remembers from his experience last year.

"Last year I ran at a pace I couldn't cope with so left myself very short for the last five miles and really came unstuck," added Green.

"But the course is pretty similar to last year so I know what to expect which is an advantage and I am a lot fitter."

Green is too canny to predict how he will fare on the day and is expecting a good tussle with his AVR team-mates to see who comes home first but there is one expectation he expects fully to deliver.

"Hopefully I will finish first Beer boy!" said Green

It will be a big surprise if he isn't.

DASHING TO DELIRIUM - THE DUNGBEETLE'S GRIZZLY POEM FOR 2015

Dashing on upon this world of busyness
and sun-kissed light
in pattern well beyond our grasp, we dash
to left and right.

We dash alone, we dash together
through mire and forest we dash in search
of youthfulness forever,
young and sleek, gnarled and bleak,
we dash across the landscape
as if to dash is, oh so, very clever.
With troubled minds and doubts to share
by twisting path our desperate dashing leads
us - absolutely nowhere.

We hurtle forth on marble blue,
we follow diligently by cry and hue,
through rainbow realms of unimaginable space
as if, by chance, we might succeed in this
endurance race,
as if we'd signed some unlikely ultimatum
that all our random dashing
might eventually lead us to the eye
of calm delirium.

We dash about, we scream and shout
in solitude or Grizzly glare
we never stop to stand and stare
for all the others do the same
as if this form of self-discovery is just
some trivial game.

In breathless motion, dark commotion
like ants we dash and march in maniacal trust

that we will survive somehow this crazy
dashing lust.

Just to get there - happy to complete the race
or, perhaps, to journey onwards with an
exhausted runner's grace,
consigned, at last, to posterity's harsh compendium
we become an open book that speaks only of a
cut and thrust delirium.

From earth and cosmic dust we come
to begin our pilgrim's progress to delirium
through starlit realms we roam and run
then, like all the other stars above,
we catch alight
and burn with passion through the night.

It is a sudden change of state
that transforms us into beacons, every one,
it is as if a butterfly is born
to illuminate the darkness of the maelstrom.
Travellers on a pilgrim world
thus, we journey forth, yet in constant
jest we're hurled,

our little lives leave glorious trails across the
twilight sky
and slowly we become aware that we are blessed
with choice
as the space between us resonates and roars
- to the music of a clarion voice.

From the very start, from lonely pseudopodium
to conscious beings full of hunter's fear
we're swept along by some impulsiveness

that we may call "our cheer",
that leads us to a bright continuum -
a wonder-full delirium.

Eventually the dashing mind becomes
a tranquil pond
the body can do nothing but obediently respond.
And so, the quest goes on, but not in dashing mode
the journey, now a pilgrimage along an endless
road.

A window is thrown open, the light pours in,
the pilgrim is still running but is now
a shining beacon
who never, ever weakens; for whom the
"dashing" world is done,
for whom the marble is his home where only
gratitude is won.

We look as if we're just the same,
the marble spirals on,
not alone but held in the vice-like grip of
gravity and Name.

The passengers are driven, they follow paths of
their deceptions are forgiven, their myths and sagas
penitentially retold,

the pilgrim, henceforth, must obey all the Laws
of Nature,
compostible decay and a self-sustaining momentum
along the greensome Way.

Thus we spiral on and on - upon our
endless journey,
towards a new-won state of joyful brilliance
and our own, perpetual delirium.

MORE teachers, more classes and more workshops at Enlightened Body Pilates, near Honiton.

The Enlightened Body Studio, set in the tranquil Blackdown Hills at Woodhayes, is becoming a busy hub for mindful movement, as two more teachers are set to join the team in the next month.

Pilates teacher Clare Gilmore will be joining owner/teacher Katharine Moran and teacher Gillian Smart at the studio this week to offer more Pilates Matwork classes, starting with one of the studio's popular Strengthen and Restore classes, aimed at those who don't find they move as well as they used to but still relish a physical challenge.

And Barbara Simons, who has taught several sell-out workshops hosted by Enlightened Body, is set to teach a series of regular workshops, Awareness Through Movement lessons from the Feldenkrais Method, starting with a full morning Saturday workshop 'Walking From Your Centre' on March 7th 10am – 1pm, following on with regular Tuesday morning mini-workshops each month.

Classes with Barbara and Clare will add even more variety to the studio timetable, which already includes both group and private Pilates training tailored to individual goals. Short courses in Pilates Matwork begin this week and a few spaces remain in both day-time and evening courses.

For the full timetable, please visit the website at www.enlightenedbody.co.uk.

Meditation & Mindfulness

Manifesting Miracles

Using meditation and mindfulness to manifest miracles

A FREE introductory talk on Saturday March 21 from 10.30-12.00 am at: The Senior Citizens Centre, Church St, (next to Archway Book Shop), Axminster, EX13 5AQ given by Lorryan de Peyer.

It is natural to want great relationships, lots of money, fantastic health and a sense of happiness and well-being for ourselves and all others. Anyone who tells you otherwise is lying. In this talk I will be introducing you to tools that can be used by you to build the lives you really want; give you the financial freedom you want; the peace and harmony you want and even things as simple as the car you want. The Science of Abundance as portrayed in the well-known film The Secret and in the many other models available to us show us the scientific truth based in The Law of Attraction and I am the person who has learnt to use them to transform my life from:

- overwork
- stress and anxiety
- relationship issues
- emotional "dis-ease"

I am also the person who was lucky enough to do a Joint Honours degree in Psychology and Sociology and follow that with thirty years of study combining Western Success Psychology, Sociology, Shen Qi, Buddhist, Zen and Qi Gung meditation practises with training in NLP, Mindfulness, The Psychology of Vision and The Law of Attraction.

Not only have I completely transformed my own life many times over, I have also been privileged to travel the world teaching and performing using these techniques and through my workshops, courses and classes helped thousands of people experience increased physical, mental, emotional and spiritual well-being.

Traditional Acupuncture – Val Davis

Acupuncture can improve and maintain health and energy and enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other nagging problems resolve as your main health complaint improves.

Pilates with Lindsay Shadrach

EAST Devon Health and fitness, a local based fitness organisation with over 16 years' experience; we offer a comprehensive range of services suitable for the individual and/or small group/classes.

Our overall ethos is first and foremost to be approachable, informative and encouraging for our clients. We are known for doing particularly well for clients who previously have had little or no fitness success as well as for those clients who are working to achieve a lifetime fitness goal like running a marathon.

In March, East Devon Health and Fitness is providing **Nordic Walking taster sessions** the next available taster is on **Thursday 5th March**, in Colyford; to find out more and to book your place (essential) contact Lindsay on 01297 553522 or visit the web site www.eastdevonhealthandfitness.co.uk

We also have **Pilates Beginners course** starting on **Tuesday 10th March**, at 12.30. Courses are 6 week induration and held in Colyford in a private, light and airy studio, with plenty of free parking. The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, poor circulation, low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management, and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years training at degree level to become an Acupuncturist. We are then entitled to join the British Acupuncture Council and to use the letters Lic.Ac., B.Ac.C after our names. We also have public liability and professional indemnity insurance. Many of us have also studied at post-graduate level and are constantly updating our skills and experience.

So, why not give me a ring and see if I can help.

Roots to Health – Modern Herbal Medicine

ROOTS To Health is a local complementary consultancy, advice and prescription practice run by qualified medical herbalist Jayne Palmer.

Herbal medicine, or Phytotherapy, is a science in its own right, based on modern scientific research. It's the world's oldest and most widely-used form of medicine and uses plant extracts to treat common health complaints such as raised blood pressure, headaches, stress and indigestion.

Jayne has a BSc in Phytotherapy. She spent many years working in local health food stores as a herbal advisor, then decided to work within a conventional medical role as healthcare assistant at Honiton Surgery, in order to gain the benefits of both fields of medicine.

Last year, she decided to set up her own clinic, which she now offers at the Health and Wellbeing Centre in Axminster on Mondays and at the Chiropractic Health Centre in Honiton on Saturdays.

Jayne explains: "Herbs can be used to treat the body in many different ways and, combined properly, will work effectively as medication for a large range of diseases. We are all unique and will respond to herbs differently. As a herbalist, I'm trained in the same diagnostic skills as orthodox doctors and choose herbs specifically for each individual. I search for, and treat, the underlying cause of the problem, rather than just the symptom, to restore the body's balance and activate its own healing powers.

"I believe that conservation is vitally important and use organically-grown plants wherever possible.

Similarly, I try and source locally-grown plants to treat local ailments and actively promote sustainable prescribing of herbal medicines."

Initial consultations with Jayne last 60 to 90 minutes, during which you will be given a treatment plan including tailor-made prescriptions. These could include tinctures, creams or lotions, ointments, oils and infusions.

Rachel Rendell – Healer & Psychic Medium

I AM a psychic medium giving private readings and clairvoyant demonstrations. I run several development and meditation groups and workshops.

Readings

Connect with your loved ones in a private reading. My reading for you will bring precisely what is needed in your life right now. I link with my guides who bring through your friends or relatives in the spirit world. I give a clear reading helping you to become aware of the options and general direction you could take in your life. Can't get out of the house? I offer telephone readings and email readings.

Healing

I am a Reiki Master and have been giving Crystal Healing and Reiki since 2003. I work in Axminster where I have my lovely therapy room. Healing can

help with so many things because I work on both physical & emotional levels. Having trouble sleeping? Feel emotional but don't know why? Feeling drained? Healing can help with all these things and anything physical from broken bones to cancer. The client remains fully clothed whilst either sitting in a chair or laying on the couch then I place my hands around the body to channel the healing energy. The client may experience heat or tingling sensations and a deep feeling of peace and calm.

Lindy Parry Podiatrist & Chiropodist

I HOLD my private chiropody clinic at Townsend House Surgery in Seaton on Tuesdays, Wednesdays and Thursdays.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Bookings can be made by calling 01297 22956.

Axminster Health & Wellbeing Centre

Mindfulness Training

We have an 8 week Mindfulness course starting on Thursday 12th March from 6-8.30pm. This highly respected course is a development of Jon Kabat-Zinn's Mindfulness-based Stress Reduction. It supports wellbeing and improves quality of life, wherever you're starting from. Mindfulness can help you to relate differently to stress, anxiety, chronic pain and illness. The course is being run on a non-profit basis and places are limited. For more information or to book a place please call us on 01297 32331

Cancer Information Point

We are planning to develop our cancer information service to include a programme of engaging, informative and varied activities. This programme would include talks, art sessions, such as painting and drawing, support groups and workshops. We also plan to raise money to create a bursary to pay for complementary therapy treatments for those directly and indirectly effected by cancer.

If you would like to help drive our re-launch please contact us on 01297 32331. A meeting is planned for Thursday 12th February at 2.30pm at the Centre. We would welcome input from people who have a passion for this project including those who feel they could co-ordinate and lead and those who feel they can offer fund-raising expertise or run workshops.

New team members

We are delighted to welcome two new therapists who joined the Centre in January 2015.

Jayne Palmer is a Medical Herbalist and is currently offering free 10 minute consultations.

Jane Van Spyk is a Kinesiologist and Zero-balancer and is currently offering taster sessions for £15.00.

Please call into the Centre, ring us on 01297 32331, or visit our website www.axminsterwellbeing.com to make bookings or talk to us.

Michelle Hague Hypnotherapy

Helping to cope with stress and anxiety

ANXIETY and stress can often create symptoms that in time cause illness. Anxiety is known to produce noticeable physical symptoms, such as rapid heartbeat, high blood pressure, and digestive problems. In General Anxiety Disorder (GAD) and Social Anxiety Disorder (SAD) the symptoms become so severe that normal daily functioning. Clinical Hypnosis and Cognitive behavioural therapy (CBT) are common treatments for stress and anxiety disorders and can be very effective in changing thinking and responses.

In contrast with CBT and in many ways very similar to Hypnosis Mindfulness and mindfulness-based therapies (MBTs) seek to change the relationship between the anxious person and his or her thoughts.

In mindfulness, the person focuses on the bodily sensations that arise when anxious. Instead of avoiding or withdrawing from these feelings, the focus is on remaining present and fully experiences the symptoms of anxiety. Instead of avoiding distressing thoughts, opening up to them in an effort to accept that they are not literally true, just ideas and imaginings often related to the past or future events but no less unreal in the present.

By remaining present in the moment aware of the breath and the body, individuals can learn that the anxiety they experience is merely a reaction to thoughts. By positively responding to threatening events instead of being reactive they can overcome an mistaken stress fight-or-flight response, and take control of their life.

Samantha Davey Hypnotherapy

Freedom from anxiety

ARE you fed up feeling stressed, anxious or tired? Do you constantly worry? Do you avoid situations that make you feel anxious? If so hypnotherapy can help you to feel physically relaxed and mentally calmer, more positive and confident facing life and your future generally.

Samantha Davey, a registered hypnotherapist, says "I see more people with stress/anxiety and related issues than anything else. Hypnotherapy helps you to discover the inner resources you already have to overcome worrying thoughts, moving from fear and nervousness to confidence and belief in yourself..... enabling you to enjoy life more."

Hypnotherapy is a safe, enjoyable therapy that often brings rapid results, improving both physical and emotional well-being. Most people find it a deeply relaxing, calming and up-lifting experience that can lead to transformation in many areas of life. All that's required is an open mind, desire to change, belief this is possible and willingness to fully participate. Beginning a course of hypnotherapy could be one of the most empowering decisions you ever make.

Samantha offers a friendly, professional and supportive service in Seaton and Axminster. To book a complementary consultation call 07809 447720, or email info@hypno4freedom.co.uk

Five steps to mental wellbeing

Evidence suggests there are five steps we can all take to improve our mental wellbeing.

If you approach them with an open mind and try them out, you can judge the results yourself.

- **connect** – connect with the people around you: your family, friends, colleagues and neighbours. Spend time developing these relationships.
- **be active** – you don't have to go to the gym. Take a walk, go cycling or play a game of football. Find the activity that you enjoy and make it a part of your life.
- **keep learning** – learning new skills can give you a sense of achievement and a new confidence. So why not sign up for that cooking course, start learning to play a

musical instrument, or figure out how to fix your bike?

- **give to others** – even the smallest act can count, whether it's a smile, a thank you or a kind word. Larger acts, such as volunteering at your local community centre, can improve your mental well being and help you build new social networks.
- **take notice** – be more aware of the present moment, including your feelings and thoughts, your body and the world around you. Some people call this awareness "mindfulness", and it can positively change the way you feel about life and how you approach challenges.

LET THESE LOCAL BUSINESSES MAKE YOUR HOUSE A HOME & YOUR GARDEN GLORIOUS

Welcome Spring with 10 easy one-day DIY home improvement projects:

IT'S that time of year again.... New beginnings and spring cleaning. Well, why not spruce up your house with these simple, one-day home improvement projects.

1. Replace Drawer Handles and Door Knobs: Easily replaced, drawer handles and door knobs can be updated with more modern styles or even vintage one, to suit the personality of your home. These items are well used in the home, so replacing them can make a difference

2. Upgrade the fixtures in your bathroom: Updating the fittings and fixtures in your bathroom can make your bathroom suite look brand new. You can even go green and seek out water conserving 'low-flo' taps and shower heads.

3. Upgrade the interior lights: Updating the lighting in your home can create a different ambience and completely change the character of a room. You could go all out with a chandelier for grandeur or hidden lighting for a calming effect.

4. Add a fresh coat of paint: Painting is the cheapest way to revamp a room. It may be time consuming but it has a big effect without hitting your bank balance hard.

5. Power Washer Magic: Power wash the exterior of your home, and wipe away grim winter.

6. Get Green: using window boxes to add a bit of colour to your windows is cheap but mostly cheerful. You don't even need to grow flowers,

you can grow herbs or even vegetables.

7. Illuminate your driveway and paths: Install exterior lights along driveways and pathways to create an amazing outdoor space when the sun

goes to bed. You can get as creative as you like, the sky is the limit.

8. Create a Patio Area: This is the time of year where you can get optimistic about spending time out of doors, maybe even having a BBQ.

9. Plant a tree: A tree is not just for Christmas, it's for life.... or something like that. Planting a tree in your garden is an investment, it's something that can last a few lifetimes.

10. Get a bit of the good life: Planting a vegetable garden can be fun for all the family, not to mention a healthy way to get your five and day and exercise to boot.

Manor Antiques Restorations

MANOR Antiques Restorations is a family run business with 20 years experience in the restoration and preservation of antique and period furniture.

Axminster Garden Machinery

Axminster garden machinery was formed in 1999 Phil Roper who has worked in the horticultural industry as a garden machinery expert for some 32 years. As a sales engineer and manager this background gives us the chance to offer our customers both old and new expert knowledge when either choosing either new or used equipment or

even advice or recommendation.

When repairing machinery we at Axminster Garden Machinery firmly believe in quality engineering and design when it comes to new equipment and I personally carefully select every piece of machinery we sell and have used and tested all the machinery we offer. We pride ourselves on the fact that all the equipment we sell we are factory main appointed dealers for this gives the customer a piece of mind when it comes to to spares or repairs or servicing. We can provide the full backup.

We are a complete garden machinery business we are main dealers for everything we sell which means we offer you the customer the complete package as we have something for everyone with full back up service and parts.

We at Axminster Garden Machinery are small enough to care and big enough to cope.

Tip Top Trees

TIP TOP TREES offer a comprehensive range of expert tree services from trees with preservation orders, roadside and dangerous trees to fruit tree pruning. With a friendly team of skilled operatives who always leave every site tip top tidy.

Sean and his team are all qualified in arboriculture meaning they have studied the science of trees as well as the use of practical machinery. This can make all the difference as they know when and how best to carry out work to your trees. One satisfied customer said "Mr Kelly has the ability to 'See' how a tree should look in its setting. This enables him and his efficient workmates to change a scruffy tree into an elegant addition to the garden. Unlike many workers he always leaves the site in a tidy condition"

Sean also holds an Advanced Arboricultural Technician qualification so if you have a tree in an awkward space or near buildings Sean will know the safest and best way carry out the work.

TIP TOP TREES have been established for 17 years offering high quality tree care to BS3998 (2010). We offer a free site survey with no obligation, call on 01404 47103. See www.tiptoptrees.co.uk for references and portfolio of work.

Beer Wurlitzer ready for action

OVER the winter months much work has taken place on further improvements to Beer's Wurlitzer, the oldest in the UK. The main project has been the restoration and rebuilding of the two keyboards, essential work to keep the Wurlitzer in a playable and reliable condition.

It is a testament to the visiting organists during 2014 that they enjoyed playing this unique organ despite its shortcomings and produced some wonderful sounds. One of these organists, Len Rawle MBE, commented after his

show "I thought the organ sounded just great and I enjoyed myself hugely. More importantly the audience seemed a really happy bunch and in tune with what I was doing. You are obviously doing all the right things and I heartily congratulate you on your success."

The maintenance and improvement programme is financed by the Friends of the Beer Wurlitzer who arrange a series of shows from March to November. For a membership fee of £10.00 a year, Friends can attend the shows for a re-

duced charge of £5.00 and also receive a quarterly newsletter (membership secretary can be contacted on 01308 425451).

The first show for 2015 will take place on Saturday, March 14th, from 2.00-4.30pm at the Congregational Church, Fore Street, Beer, when Byron Jones, the Welsh Wizard, will be returning to provide first-class entertainment. Everyone is welcome and admittance is £7.00 on the door which includes interval refreshments. For further information ring 01297 24892 or visit www.beerwurlitzer.org.uk.

Nancy Kerr and the Sweet Visitor Band

ALREADY a respected interpreter of traditional material, Nancy Kerr's emergence as a writer of rare style has drawn comparisons to William Blake in her reawakening of a radical folk mythology as a backdrop for contemporary narratives about love and conflict, motherhood, migration, hardship and jubilation, and the tensions between rural and urban life.

Fiddle player, singer and writer Nancy Kerr is a 5 times Radio 2 Folk Award winner including the Horizon Award in 2000 and Best Duo in 2003/2011 with James Fagan. Nominated for Best Original Song 2011 for Queen of Waters and winner of Best Album (Spiral earth 2011) for Twice Reflected Sun. Her new solo album Sweet Visitor has been described as "Outstanding chamber folk" (The Guardian) and "Simply perfection" (English Dance and Song Magazine). It features the song "Where Jacarandas Grow" which won the Alistair Hulett Memorial Trust prize for Songs of Social Justice in 2014. She appears with The Full English and The Elizabethan Session and in a trio with Martin Simpson and Andy Cutting.

Nancy Kerr and the Sweet Visitor Band play at the Inter Varsity Folk Dance Festival in Exeter on Friday, February 27th and Saturday, February 28th. For more details visit www.ivfdf2015.org.uk

Sing for Spring – X Factor not needed!

MANY of us love TV shows like X Factor and The Voice, but the underlying message is: If you can't sing like a professional, get off the stage! Musician Tina Bridgman disagrees. Having been a professional singer, songwriter, performer and voice coach for the last 10 years, Tina has come across a whole range of people who want to sing but don't have confidence in their voices.

"We're taught from an early age that if you haven't got a great singing voice you should keep quiet, but singing is a natural activity that we can all enjoy. People have all kinds of reasons for not singing, but it's about celebrating your voice and building on that and it's incredibly liberating," says Tina.

Research shows also that singing, on your own or in groups, can help to promote good physical and mental

health, as well as improving confidence and social connections.

To help those of us who think we have more in common with a donkey than Adele, Tina will be running a singing workshop called 'The Spring Sing'. Beginners and aspiring singers can learn about the basic tools for singing such as breath control, projection, texture, styling and performance techniques, with fun and without judgement.

The half-day workshop will be held on the morning of Saturday 7th March at Kennaway House in Sidmouth, and will cost £20 per person. To book or for more information, Tina can be contacted through her website www.tinabridgman.co.uk or by email at tinabridgman@yahoo.co.uk

Mad March coming up!

AFTER Andrew O'Neill's hilarious stand-up comedy show 'Heavy Metal-A History!' this Friday, February 27th at 7.30pm, we are suddenly launched straight into March and on Sunday 1st at 8pm legendary Steeleye Span fiddle player Peter Knight and Gigspanner begin their British tour at The Beehive with Roger Flack on guitar and Vincent Salzaas on djembe and congas, this will be an amazing gig. 'Music to sustain the spirit'

The following weekend on Friday, March 6th we have the wonderfully exuberant eight piece band, Police Dog Hogan, whose recently released song 'West Country Boy' is the Pre match sing-along for Exeter City FC, check out the link on the Beehive website for a sample, its very funny as are all their songs, a stirring mix of Americana, Bluegrass and belters! Also Guardian columnist Tim Dowling plays Banjo in the band.

On Saturday, March 7th we are so very lucky to be able to have the 35 piece Wren Folk orchestra- 'Rough Music' led by experienced caller and award winning folk musician David Faulkner, playing a wonderful repertoire of local tunes and melodies from across the Atlantic. This is our Spring Ceilidh it'll be great fun for all ages, so join us for a good old knees up and have

no fear, all the dances will be taught as we go along.

Then we have an all day Willow workshop, making spring Plant supports on Thursday, March 12th, The Beehive Tea dance on Friday 13th, A Flamenco and Bollywood Dance workshop on Saturday 14th from 1.30-4.30pm and the terrific world folk duo, The Hut People on that Saturday night.

There is currently a wonderful display of beautiful local photographs in the gallery, taken for the Area of Outstanding Natural Beauty exhibition and everyone is welcome to pop in and have a look.

We will also have the Bee themed 'Festival of Imagination' on Saturday, March 21st which is for everyone in celebration of British Science week.

Our resident Sassy (singing & signing) Choir will host a special gig in the Bar with duo Misty Roses that evening too. On Friday 27th we welcome the Devon Freewheelers for their charity concert- an evening of popular songs from the charts & favourite shows and on Saturday 28th we wrap up our mad March with a really enchanting children's puppet show Cirkus Spectakular.

The property would also make an ideal holiday cottage, the perfect bolt-hole away from home. Just a few steps away is the community run village shop/post office/cafe where you can buy daily provisions, enjoy a good coffee and home-made cake and get to know some of the locals. The accommodation comprises a snug living room with wood-burning stove and window seat, a pretty kitchen with stable door leading to an outside courtyard, first floor double bedroom, single bedroom/study and bathroom and an attic room providing overflow sleeping/chilling space. The property has been sensitively maintained and is beautifully and tastefully presented throughout. There are so many

character and fun features in the house that there is a surprise around every corner. The surrounding countryside is beautiful and offers plenty of public footpaths for those who enjoy walking and just a mile down the road is Forde Abbey House and Gardens. Thorncombe is slightly off the beaten track which makes it a great place to get away from traffic noise and enjoy the peace of the countryside but is within easy reach of the Jurassic coast as well as several local towns and plenty of choice for eating out nearby. Option available to purchase the furniture and furnishings (with the exception of some personal items) if desired so providing a ready-made cosy home or holiday home. The property is offered with no onward chain and an asking price of just £174,950. Please call Gordon and Rumsby on 01297 553768 for more information or to arrange a viewing.

Sporty Kia Cee'd GT Line

KIA Motors Europe will unveil a new Kia cee'd 'GT Line' specification at the 85th Salon International de l'Automobile in Geneva on 3 March 2015.

In addition to a range of visual upgrades, the new cee'd GT Line signifies the arrival of Kia's all-new downsized 1.0-litre T-GDi (turbo gasoline direct injection) engine and new seven-speed dual-clutch transmission in Europe.

The look of the GT, the versatility of a conventional cee'd

The new GT Line offers buyers the sporty looks of the high performance Kia cee'd GT and pro_cee'd GT and the versatility of the conventional cee'd model family. The GT Line specification is available on all three cee'd body types – five-door cee'd, three-door pro_cee'd and cee'd Sportswagon.

The exterior of the GT Line evolves the design language of the cee'd GT, with ice-cube LED daytime running lights and deeper bumpers surrounding Kia's hallmark 'tiger-nose' grille. At the rear of the car, both the cee'd hatchback and pro_cee'd include the wider GT bumper and twin exhausts, while the Sportswagon is fitted with dual exhausts and a subtle rear diffuser. All GT Line models are fitted as standard with

the GT model's eye-catching side sill mouldings and rear LED light units, and a stylish new 17-inch alloy wheel design.

The interior of the cee'd GT Line has been uprated with a higher quality, sportier ambience, inspired by the cabin of the current turbo-powered GT models. The GT Line boasts a classy, new grey, white and black upholstery with grey stitching; a series of GT Line

logos throughout the cabin; and the same piano black and leather steering wheel and aluminium alloy pedals fitted to Kia's high-performance GT models. The dashboard is also equipped with a new aluminium start-stop button, GT-inspired centre fascia design, illumination for the USB and aux-in ports and new chrome trim around the air vents and power window switches.

2016 Model Year Range Rover Evoque

▲ 2016 Model Year Range Rover Evoque

LAND Rover has strengthened its fastest-selling model, the Range Rover Evoque. The luxury compact SUV features a comprehensive range of new design features and technologies to reinforce its status as the market leader.

Range Rover Evoque's cutting-edge exterior design has been further enhanced with a selection of carefully chosen revisions. These updates include a new front bumper, two new grille designs, all-LED headlamps and three new alloy wheel designs. These changes will enhance Evoque's unique de-

sign to a broad range of customers.

Interior changes include new seats and door casings, new infotainment system, accessed via an eight-inch touchscreen, and the introduction of new colour and materials such as Lunar Ice, Vintage Tan and Dark Cherry (Autobiography only) complementing Evoque's bold architectural forms.

Land Rover's advanced new diesel engine also debuts. The new EU6-compliant four-cylinder Ingenium unit brings a class-leading combination of performance, refinement and efficiency. The cutting-edge engine,

which is designed, engineered and manufactured in the UK, provides up to 180PS, fuel economy of up to 68mpg (4.2l/100km) and CO2 emissions as low as 109g/km*. That makes the class-leading Evoque the most efficient Land Rover ever produced.

Gerry McGovern, Land Rover Design Director and Chief Creative Officer said: "The Range Rover Evoque first established and then dominated the luxury compact SUV sector generating worldwide acclaim and sales success. Our challenge has been to evolve the Evoque design without diluting its distinctive character."

Jeremy Hicks, Jaguar Land Rover UK Managing Director said: "The Evoque has proven to be an enormous success in the UK with sales of 62,000 since its launch back in 2011. Clever design, class leading residuals and competitive cost of ownership have all been contributors to its success."

"The 2016 model year Evoque builds on this achievement with a new engine line up delivering outstanding CO2 emissions down to 109g/km and for the first time; an all-wheel drive version under 130g/km. This combined with intelligent and relevant technology will ensure that the Range Rover Evoque is an attractive proposition to both private and fleet & business customers."

Exterior Design

Evoque's highly desirable design is a hallmark of this luxurious compact SUV. The introduction of the slimline LED foglamps

and a noticeably wider tow-eye cover enhance the new front bumper design. The enlarged air intakes allude to its sporting character and create a more planted stance and further emphasise Evoque's assertive road presence.

Two new grille designs are available in a range of premium finishes. Evoque's standard grille is distinguished by two bold horizontal bars and a new fine-mesh grille pattern. Dynamic derivatives feature a hexagonal design, and its more prominent mesh area lends a suitably performance-oriented character to these sporting derivatives.

2016 model year Evoque is the first Jaguar

Land Rover to be offered with full-LED adaptive headlamps, providing superior visibility at night. This advanced technology has been pivotal in creating a signature headlamp and tail lamp design, working in harmony with Evoque's dramatic exterior. Enhancing safety and creating an even more striking visual statement, the indicator function is now integrated into Evoque's distinctive LED daytime-running lights (DRLs), sweeping across the full width of the light clusters. As an additional benefit, energy-efficient LED technology reduces the demands placed on Evoque's electrical systems.

New Superb, Octavia Vrs 230 And Fabia Monte Carlo

AT THIS year's Geneva Motor Show (5 to 15 March 2015), the third generation ŠKODA Superb will be celebrating its full public premiere – just two weeks after its debut in Prague. The brand's new flagship is the best ŠKODA of all time and features an emotive design, the most room of any vehicle in its segment, and innovative MQB technology.

ŠKODA will also be celebrating the premiere of the sporty ŠKODA Fabia Monte Carlo and the racy ŠKODA Octavia vRS 230. ŠKODA is highlighting the brand's high dynamics through the strength of its appearance at this year's Geneva Motor Show. In 2014 ŠKODA achieved a new sales record; selling 1.04 million vehicles, the carmaker delivered more than 1 million ŠKODA vehicles to customers for the first time in a single calendar year.

"The new Superb heralds the dawn of a new era for ŠKODA," said ŠKODA CEO Prof. Dr. h.c. Winfried Vahland. "Over recent years, ŠKODA has estab-

lished itself as an international volume manufacturer. Our new flagship is now the highlight of ŠKODA's most comprehensive model campaign ever, and shows where ŠKODA stands today." He continued, "The car's outstanding design and engineering qualities, and the unbeatable space make our flagship the new benchmark in the automotive mid-class. The new ŠKODA Superb is a clear demonstration of our growth and points to the future of the brand."

With its new, expressive design the new ŠKODA demonstrates the emotional power of the brand. The new Superb brings the exciting

design of the 'ŠKODA VisionC' show car into series production. Its elegant yet dynamic appearance is supported by the use of the modular transverse matrix (MQB) from the Volkswagen Group. The new ŠKODA Superb sets standards in terms of room and comfort. The latest-generation Superb offers the best

head and legroom in the rear and the largest luggage space in its segment. At the same time, the saloon is smarter than ever before, and offers 29 'Simply Clever' details.

Local football round-up

Tigers off bottom after nine-goal thriller

Beer up to 10th after season's best showing - Millwey held

SOUTH-WEST PENINSULA LGE

Axminster Town 5 Liverton Utd 4

A CLASSIC game of halves was Axminster Town Joint-manager Keith Somers' assessment of the entertaining 5-4 win which completed a league double over visitors Liverton United.

The Tigers, with Sam Dibling in sparkling form, roared down the slope with the wind at their backs at their temporary Feniton home and into a 5-1 lead at half-time with goals from Ben Vine (2), Pete Knox (2) and Alex Wheatley. But it wasn't all good news as injuries to Elliott Dyer and Michael Knight forced a reshuffle in the back line.

Ax, now defending the slope, held Liverton at bay until the 65th minute when a stunning strike made it 5-2.

Two more late goals made the score line interesting. "I never felt they would equalise, in fact we missed a couple of good late chances," said Somers who side have clambered off the foot of the table as a result of the win.

Next up for the Tigers is Saturday's trip to Lords Meadow where Credition United lay in wait (3pm ko).

◆ Axminster have booked their annual awards and presentation evening for Saturday, May 30th (venue and time to be confirmed).

After being washed-out on Saturday SIDMOUTH TOWN will hope for better next weekend when they visit bottom-of-the-table Exwick Villa.

D&E LEAGUE REPORTS

Bow AAC 1 Beer Albion 4

Premier Division

IN what was undoubtedly their best performance of the season, Beer Albion pulled off one of the surprise results of the day with a 4-1 victory at Bow.

In what has been a mixed season for the Fishermen, their team spirit and determination have never been in doubt. In this match, not only did they display those qualities and but they also played some of their finest football of the season.

Bow had surprisingly beaten high-flying Sidbury last week and with home advantage they must have fancied their chances against their fellow-strugglers on a pitch which is much narrower than Beer are used to playing on at home.

It was however Beer, playing their familiar 4-4-2 formation, who mastered the difficult conditions better, denying their hosts any space through midfield and forcing them to resort to long-ball tactics.

Player manager Richard Walker opened the scoring for the Fishermen. Before half-time they doubled their lead through teenager Jacob Clode.

After the turn-around a clean strike by midfielder Sam Phillips put the visitors further ahead.

Bow pulled it back to 3-1 and might have got back into the game but for a couple of good saves by Albion keeper Steve Jones.

But the visitors sealed the win when MoM Clode notched his second.

Beer entertain unbeaten Hatherleigh Town on Saturday (3pm ko), and the Match sponsor will be *Woowie's Deli*, Fore Street, Beer.

Beer Albion Res 2 Dunkswell Rov 2

Division Six

BEER Reserves shared the spoils with their close rivals Dunkswell Rovers in an entertaining 2-2 draw at the Furze-brake on Saturday.

The first half saw chances go begging at either end with the visitors hitting the underside of the bar after five minutes and then both keepers pulling off good saves.

As the half wore on Beer began to dominate the possession and deservedly took the lead on 40 minutes when Ben Abbott's cross was only partially cleared

and the ball rebounded back into the Beer winger's path and this time he finished neatly from an acute angle.

The visitors started the second half strongly and were soon back on level terms through Brad Moores, his shot from 12 yards giving Fishermen's keeper Shaun Gould no chance.

On 65 minutes Beer went 2-1 in front through MoM Adam Brewer who headed in Simon Smith's well-flighted corner.

From thereon, the Fishermen dominated the game and only some good saves by Dunkswell's keeper kept them in contention.

On 78 minutes Beer had the ball in the net after Dunkswell player, Ryan Pike, handled on the line. However, the goal was disallowed as the referee had blown up for a penalty a split second before the ball crossed the line. But the visitors were reprieved when Tom Neale put the spot-kick wide. Beer continued to press and yet another great save by the Dunkswell goalkeeper denied Matt Smith's deflected 35-yard strike.

With just five minutes remaining Beer were made to pay for the penalty miss when Dunkswell's Pike hit the late equaliser; it was somewhat ironic as Pike could have received the red card for the earlier hand-ball offence.

After the game player-manager Simon Smith said, "With key defenders Moughton and Page missing, I would have been happy with a draw against Rovers before kick off, but after having so much possession I was disappointed that we let them back into the game to deny us the win."

Round-up with Collin Goodwin

THE shockwaves came thick and fast throughout the league but it was down in Division Six that NEWTON ST CYRES 2NDs stole the show as they blew away the unbeaten record of runaway leaders OTTERY ST MARY. The Otters who are on the brink of promotion were undone by two Jamie Farrell strikes.

Fourth Division LAFORD are through to the semi finals of the Fire-watch Devon Senior cup after their 4-3 win against first division EXMOUTH AMATEURS. Roger Hill, Ashley Simpson, Mark Tucker and a late Ben Turner free kick won it for Lafford.

Last seasons beaten finalists EXWICK VILLA scraped through 2-1 in a cracking game after extra time against HENRYS CRONIES but needed a 119th minute twice taken Aiden Barrett penalty to snatch victory. It was Barretts second goal, his first having been wiped off by a James Fanson penalty.

In the D & E Premier leaders TIVERTON TOWN had to settle for a 3-3 draw with the UNIVERSITY, Darren Ofoe, Charlie Woodford and an own goal counting for the students, which enabled HEAVITREE UNITED to cut the deficit with a comfortable 6-1 win at home to WILLAND ROVERS. Elliot Wells with a hat-trick and two goal Jimmy Lee Shaw did the damage.

HATHERLEIGH TOWN retained their unbeaten record with a 1-1 draw at CHARD TOWN, but NEWTOWN slipped up 4-3 at ELMORE after being 3-1 ahead. Callum Old, Brad Newberry, Jordan Copp and Ross Seatherton had the eagles goals.

Two Charlie Selley goals earned FENITON their 3-1 win against SEATON TOWN. Ben Ede had the first but Marc Perham equalised for the seashiders.

The top two in Division One both won 5-1 away from home. Leaders HONITON TOWN were at WESTEXE ROVERS where Chris Long and Matt Brown both scored twice, while NEWTON ST CYRES were at the UNIVERSITY with Ryan Guppy getting a brace.

The upset came at WITHERIDGE

where struggling HEAVITREE were 2-1 winners. Tom Williams had the only goal for Withy.

Division Two leaders COLYTON were stunned by a 3-1 defeat at home to HALWILL whose Andrew Wonnacott netted twice. Simon James also scored.

DAWLISH UNITED won 3-2 against CREDITON UNITED with Jack Allen, Josh Goswell and full back Tom Morgan scoring.

There was a second win of the season for NEWTON POPPLEFORD who won a thriller against CULM UNITED 5-4.

In Division Three WOODBURY won comfortably at home to PINHOE 4-0, but the UNIVERSITY only just got past AXMOUTH UNITED 2-1 in the other match to beat the weather.

COUNTRESS WEAR DYNAMOES regain top spot in the Fourth Division thanks to a 2-1 win against lowly AWLISCOMBE UNITED.

A last minute goal from Chris Chamings earned the LORDS XI a 1-1 draw at NORTH TAWTON.

STARCROSS GENERALS came from a goal down at half-time to beat second place FLUXTON 6-3 in Division Five. John Nicholson scored twice, Gary Richards, Phil Berry, Gabriel Osborne and Laurie McLellan getting singles.

Leaders OTTERTON won 3-2 at HALWILL with Si Tuley, Kev Pitt and Ben Yeomans scoring. Gareth Osman and James Gorst replied for Halwill.

Ryan Cartledge scored twice for SANDFORD as they beat PRIORY 6-0. In Division Seven Andrew Davis smashed four goals for CHAGFORD in their 6-2 victory over ELMORE who actually competed really well.

Rob Smith and Barry Wood were the Ottery scorers in their 2-0 win against SANDFORD in Division Eight.

In Division Seven AMORY GREEN ROVERS who made national headlines and were all over Social Media this week went down 8-1 at CENTRAL.

PERRY STREET LEAGUE

By Howard Larcombe

THE Division One promotion clash at Cloakham Lawns ended honours even with hosts MILLWEY RISE being held to a 1-1 draw by Winsham United.

Mark Pike, on target for the fourth game in succession, put Rise ahead early on but Shane Partridge headed home the equaliser and that's how it stayed.

HAWKCHURCH UNITED maintained their good form as all four of the promotion contenders in Division Three chalked up victories.

The Hawks had the derby game at Thorncombe Reserves sewn up in the first half hour as they stormed into a 3-0 lead with goals from Josh Short, Luke Harding and Andy Dymond.

Prolific front man Stuart Packer pulled

one back before the break but Harding rounded off the scoring in what was a stormy encounter in the 50th minute.

Hawkchurch manager Martin Bright, whose side have now won five on the spin, gave his star man award to midfielder Dan Richards.

Liam Rogers was the star of the show as FARWAY UNITED RESERVES recorded their biggest away league win for five years. Rogers scored four times in the 6-1 win at Uplyme Reserves. Dan Audsley and Nigel Banks chipped in with others for Farway who led 3-0 at half-time.

Busy time for bowlers

A FISH and chip supper took place at Honiton Bowling Club last Friday - thanks to David and Tony Tooley for doing the cooking *writes Julie Grant*.

There was a friendly bowls match with TEIGNMOUTH before the supper which Teignmouth won 70-53. Honiton's winning rink were Val Kille, Jimmy Smith, ladies captain Linda Gadd and skip Alan Fuller 17-15.

Over last weekend tourists from West Berks were shared by several local bowls clubs and Honiton enjoyed their company on two occasions, winning overall by two shots.

Saturday saw Di Hawkins, Mike Uniacke, Tony Williams and skip Heather Chambers win 20-14.

The following day Eileen Dommett, Yvonne Williams, Alan Fuller and skip Gerry Dommett won 23-8.

The ladies also won two friendly games, against AXMINSTER 67-53 - top rink Yvonne Williams, Daphne Courtney, Linda Gadd and skip Marian Vessey 35-16, and against DEVON COUNTY LADIES - top rink Phyllis Milner, June Lee, Dulcie Broughton, and Shirley Hiscocks 28-9.

Good luck to two teams playing in the DEVON COUNTY LADIES SEMI FINALS on March 6/7th - The four of Joan Heard, Dulcie Broughton, Carole Binmore & Sue Evans and the triple of Ann Brown, Julie Grant & Shirley Hiscocks.

In the Lane League the ladies had a tough match with MADEIRA but banked three points with a winning rink of Judith Broom, Julia Collins, Gill Munslow & skip Heather Chambers 18-11.

Otters almost there after felling Trees

OTTERS maintained their five-point advantage at the top of Division One with a 50-23 win over Tip Top Trees who ended just three goals short of collecting a point from the game.

With Cara Monaghan in fine attacking form, the Otters proved too strong for the Trees and led from the off, although 3Ts scored consistently throughout thanks to some good work at GA from Rachel Cavin.

Uplowman were up against bottom side JD tyres who are still looking for their first win after their 14-41 defeat.

With Vicky Chening

strong in defence for Uplowman, the JD attack found the going tough but Tanai Broom performed well at GA for the Tyres.

The game of the week saw second placed Flamingos up against the fourth placed side Hi Q, who led 7-5 at quarter time.

By half way they had moved 17-13 ahead thanks to good work from Jo Channing. Olivia Warwick worked hard for Flamingos but Hi Q slowly increased their advantage to win by 33-25.

SIGNS South West maintained the only 100 per cent record in the league when they beat the in form Howden Hawks 46-28.

Hawks led 11-9 at quarter time, but with SSW then moved up a gear to ease in front with Debbie Wheeler in fine form. Rowan Bradford worked hard for Howden but SSW finished strongly to clinch the win.

Although Otter Valley suffered a 28-21 defeat

at the hands of Sidmouth Toucans they held onto their second place in the table thanks to the Hawks' defeat.

Otter Valley led 9-7 at quarter time but at half way it was all-square at 13-13 with all to play for.

Vicki Russell gave Toucans the edge despite good play from Charlotte Broom for Otter Valley.

Final game of the night was between the two sides at the foot of the table, A&P Pixies and Blackdown Ladies.

With Rachel Larcombe in good form for the Pixies, it was A&P who led from the start despite the efforts of an in-form

Two cup finals

HONITON TITANS (U10S) continued their improvement by taking a large squad to face a rock solid Sidmouth side on their own turf in very unpleasant weather conditions.

Captain Isaac Lindster ran the team out and put in a sublime performance in both defence and attack. James Goodman ran in three tries in the first game, with Archie Hawkins powering through to dot down for another for Honiton. The disruption of multiple substitutions didn't help and Honiton were unlucky to lose 20-25.

The second game saw Honiton ring the changes and try some things new.

The game ended 15-5 in Sidmouth's favour but there were some fine Honiton performances.

Tom Elliott, a constant treat in both games, managed to cross the line for Honiton during the game. Player of the day Harry Smith aided heavily in holding back the home side during the second game.

It was tremendous to see Oliver Gorman turn up in a supporting role, after being taking away in an ambulance last weekend.

Coach Simon Lancaster said: "While the weather was against us morale with the players was fantastic. Cold, wet, yet smiling!"

HONITON TIGERS (U8S) took a squad of 20 to take part in a tournament hosted by Sidmouth on Saturday.

Fielding an A and B team to tackle teams from Sidmouth, Exmouth, Topsham and Exeter Saracens, the B team remained unbeaten in their pool games and made it to the final where they came up against Topsham - a side who claimed to have not lost a game for two years. The Tigers roared into an early lead but were pegged back and ultimately lost a close game 3-2. Tom Phillips scoring both tries for Honiton.

Making up this squad were: Finley Backhouse, Jake Carter, Finley Offer-Hoar, Josias Drew, Harvey Hannay, Harry Kent, Charlie Pickering and Bryn Johnson.

The A team started slowly and were narrowly beaten by one try in their opening two games, against Topsham and Sidmouth.

They rallied well and won both of their final two games against Exmouth and Exeter Saracens.

Playing in this squad were Robert Hennessy, Alexander Goody, Jake Giles, Harry Madge, Sam Gray, Dylan Burrough, Henry Devin, Ewan Powers-Maguire and Tyler Patch.

Coach Jon Hannay said: "All the lads played well and enjoyed the tournament and we were very proud of the team which made the final.

"I was also very pleased with CJ Nequest and Danny Page who kindly volunteered to play for Exeter Saracens who suffered from a couple of late withdrawals."

HONITON RHINOS (U7) were also at the Sidmouth tournament and one of their teams made it to the final where they played some excellent rugby and were unlucky to lose 1-0 to Topsham.

Seaton finish with win

SEATON U9S finished their season on a high with an impressive 4-1 victory over the PINK PANTHERS.

Aaron Hale opened the scoring with a volley from a cross, but the Panthers pegged them back after the defence failed to clear their lines, despite a superb initial save from Kieran Jaycock.

Seaton were soon back in front when Max Nevell collected a ball on the edge of the box and turned before firing a bullet shot into the top corner.

Christian Pinnock added a third after half-time following a wonderful move and Hale rounded things off with his second.

Coach Alan Hale said: "It was a great team performance, when these boys gel they are great to watch".

Large turnout for Captains Drive In

AXE CLIFF

with Helen Kenworthy

ON February 15th the Men played a stableford.

Because of the large number of entries it was played in two divisions, results; Division One - 1st Alex Palmer 40pts, 2nd Alan Kenworthy 38pts.

Division Two - 1st Simon Sweetland (on the back 9) 37pts, 2nd Steve Reed 37pts.

The Ladies played there last Winter League on February 18th, Format Stableford, 1st Caroline Bond, 2nd Margaret Kenchington and 3rd Bee Sammons.

The winner of the Winter League was Margaret Kenchington.

The winning three places in the Seniors Medal all recorded the same score of 68, after handicap adjustments, and only separated by the countback rules.

In third was Tony Strong but he

was outdone this week by Dave Weston who, in turn, was ousted by John Hannah.

HONITON with Andy Wagner
Captains Drive in

Honiton Golf Club staged its Club Captains Drive-in to celebrate the new season.

Over 150 members watched as the new Club Captain Stewart Slater chipped onto the 18th green and the immediate Past Club Captain Ron Graham putted out.

Slater then headed to the 18th tee where he was joined by the Lady Captain Olwen Eaton, Seniors Captain Mike Watts and Junior Captain Ben Phillips to commence the traditional drive-in.

Tuesday Mixed

TUESDAY brought a touch of Spring to the Club as 28 members

enjoyed the pleasant weather to play a Team Stableford - 2 best scores to count.

The winning four, with 86pts, were Elizabeth and Ken Wood, Carole Cole and Brian Morrison.

Closely following them into 2nd place with 85pts were Olwen Eaton and Su Calver partnering their husbands Bill and Den.

Ladies Section

THIS week the Ladies played another variation of the time-honoured Stableford format - the Criss-Cross version, in very pleasant weather, although the ground was heavy underfoot.

Many temporary greens were in use, making putting especially tricky.

Each hole on the front nine is paired with the equivalent hole on the back nine. (ie hole 1 with hole 10, hole 2 with hole 11 and so on).

Then, only the better of the two stableford scores for each pair of holes is counted, so total points score is only derived from nine holes not 18 and hence the relatively low scores.

It means if you score badly on the first of your two holes then you have a chance to redeem yourself on the second.

Winners were as follows; Silver division-1st Henrietta Bradshaw with 24 points, 2nd Mona Carter with 23 points, 3rd Chris Pearce with 21 points on c/b, from 14 entries.

Bronze 1-1st Catherine Doherty with 22 points, 2nd Penny Blackburn with 20 points on c/b, 3rd Gill Johnson also with 20 points on c/b, from 13 entries.

Bronze 2 - 1st Di Wall with 20 points on c/b, 2nd Catherine Hunt also with 20 points on c/b, from 12 entries.

Gutsy display, but relegation threat looms large

Bude 29 Honiton 5

Tribute Cornwall/Devon

HONITON Rugby Club's league trip down in to deepest darkest Cornwall proved to be a difficult one writes Roger Dance.

Honiton won the reverse fixture at home but with a sponsors lunch and a large partisan crowd Bude were a different side in they own back yard.

By their own admission Bude don't travel well and a weakened Honiton bumped into them at full strength.

Honiton were somewhat make shift for their trip and without the help of young prop Ben Logan they would not have been able to field a front row which would have meant a points deduction.

There was a very cold, stiff wind blowing straight down the field and Honiton had first use of this element. Their tactics were right and any hoof of the ball ended up well down field.

Unfortunately from one such kick early on, the ensuing 22 drop out was just not marked properly and a quick tap saw Bude sweep up field and march the Lacemen

over the line from the ensuing set-piece for an early score.

The scrum through out the game was clearly the home sides key weapon and this has been a feature of their season with very few oppositions getting the better of them in this department.

Despite the wind advantage Bude defended well and consistently made in-roads as they worked up the field and their endeavours saw them cross Honiton's line twice more to reach the interval 15-0 up.

With the elements now against them things looked ominous for the Honiton camp.

Knowing there was little point in kicking for position Honiton agreed that their tactic could only be to keep possession and work their way up the field as Bude did in the first half.

This change of game plan saw Honiton step up to the plate and they looked a different side in the second half. Bude didn't help their cause with three separate sin binnings and clearly they were rattled.

On one of these forays into the

opposition's twenty two Robert Price saw a gap in the maul and came out the other side surprised to have open space in front of him, he then won the foot race to the line to notch up Honiton first score of the game.

But the visitors were undone at a se- piece play again and Bude scored down the blind side.

Honiton could consider them selves unlucky for the next score as a handling error was snapped up by the home side's winger who had the pace to run in from long range.

Dispute these two scores Honiton really made a fist of it before finally going down 29-5.

Clearly Bude were the better side given their scrum superiority but had Honiton had a better first half this could have been closer encounter.

There was huge praise for the debutant Logan playing his first senior game and he coped well opposite a street wise old prop - he has a bright future.

Thanks must also go to Tom Churchward the second team captain who went out of his way

with a work commitment to fill a late cry off gap.

In the second half especially, there were some good performances by several individuals but, despite coming off the bench having only expected a ten minute cameo, Reece McGrath showed some real spirit to help the cause in what turned out to be a 60 minute stint.

This disappointing result now sees the Lacemen having to look over their shoulders as they get sucked into the relegation mire with high flyers Credition the visitors next Saturday.

Race conditions favour the brave!

Axe Valley Runners

with Dave Mutter

THE DALWOOD THREE HILLS race usually coincides with the first warm weekend of the year, but after a beautiful Saturday the heavens opened and the winds blew just as the races got underway.

Unsurprisingly the route was exceedingly boggy and just to finish off after the struggle up the Danes Hill you were greeted with horizontal sleet!

The 10-mile challenge was won by Michael Robinson of the Mud Crew Trail Runners in 1:08:55, with James Denne 2nd, 1:09:39 and AVR's Matt Clist 3rd, 1:10:55.

Matt may well have finished higher had he not done a 30-mile off road cycle the day before.

Eleanor Wood put in another sterling performance to be 1st over 50 lady, 32nd overall in 1:34:22.

Tim Lenton also ran well to be 6th, 1:14:13, with Ian Apps14th, 1:21:40; Rupert Pady16th, 1:23:51 and Joshua Hopson 34th, 1:36:41.

Geoff Woodward and John Greenhalgh had a rare old battle with

Geoff outspringing John to finish 40th, 1:39:46 with John 42nd, 1:40:29.

Steve Reynolds was 47th, 1:43:44; Roger Bramley 54th, 1:46:06; Steve Lewis 57th, 1:47:59; Dan Ayling 63rd, 1:51:01 and Holly Edwards 68th, 01:55:36;

The three-mile mini-challenge was won by 15-year-old Jamie Barnett of Teignbridge Trotters with 13-year-old AVR Oliver Rodger having a great run to finish 2nd, 25:39 with Honiton RC's Florence Swann 3rd, 26:23; William Watson (15) was 5th, 28:10; Mia Bartlett (13) 6th, 28:29 and Christopher Watson (13) 7th, 32:01.

The 1.5 mile Fun Run was won by Josh Comer (9) of Taunton A.C. Budding AVR's Darcie Morton (9) and Dylan Arnold (9) had great races with Darcie the first girl home, 3rd overall in 10:20 and Dylan 6th in 11:47.

In contrast to Dalwood, BRIGHTON was bathed in winter sunshine, perfect weather for Angela and Martin Kerr to run the half marathon.

Angela, completed in 1:54:51

while Martin recorded 2:18:28.

Honiton RC with Judy Davey

MOST of the runners at last Sunday's DALWOOD THREE HILLS Challenge were using it as last minute training for next week's Grizzly.

It was a cold frosty dry morning when runners set off but the rain started about half an hour before the race commenced and continued for the rest of the day.

First home for Honiton was Ian Stewart who finished 8th in 1 hour 16 minutes and 45 seconds.

Although an experienced runner, Karl Hodson has only recently joined the club and had a great race to finish 15th in 1:22:12. Next back was Steve Davey who managed to win his age category coming 23rd in 1:30:24.

Bruce Strawbridge had a great race showing he is back on form, tracking Steve around much of the course coming just three places and 28 seconds behind him.

Mark Dallyn had a bit of a sore neck and was convinced he wasn't

going to run well so he was pleased to come 33rd in 1:34:55.

First lady back for Honiton was Judy Davey coming 43rd in 1:40:37. Louise Crisp followed coming 49th in 1:44:10 and she was followed by Esme and Alasdair Moffett who ran the race together. They came 50th in 1:44:46.

The Honiton contingent was completed by Lyn Pike who came 74th in 1:59:29 having thoroughly enjoyed the run.

The race was won by Michael Robinson of Mud Crew Trail Runners in the fantastic time of 1:08:55 and there were 91 finishers.

Also on offer was the Mini Challenge and Flo Swan took part in this coming 1st female and 3rd overall in a time of 26 minutes 23 seconds.

This race was won by Jamie Barnett of Teignbridge Trotters in 25:32. There were 13 finishers.

Helen Saunders, who was in Honiton RC beginner runner group a year ago, completed her first half marathon with Pacific Road Runners in VANCOUVER in 768 place out of 2084 in a time of 1:48:25.

Honiton Ladies in National semi-final

TRIUMPHANT Honiton ladies bowled their way into the national semi-final of the Yetton Plate with a magnificent 82-62 victory over Egerton Park last week.

In a tense, but exciting match played on a neutral green in Winchester, the Honiton ladies enjoyed their best ever progress in a national competition.

Supported by 16 travelling companions, the 16 players had to use all their skills to win on three rinks out of four.

The top rink, winning by 30 to 16, were Ann Brown, Ann Hillyear, Carol Smith and skip Julie Grant, but all the players

enjoyed the success and the very hospitable Riverside club. **Semi-final in Wiltshire**

The team are confident mood heading into the semi-final which is due to be played on Saturday, February 28th at Swindon-based Westlecot BC against Tye Green BC from Harlow, Essex.

In the county Foxlands League the ladies also had success gaining eight points in their defeat of local rivals Sidmouth.

Top rink on this occasion were Sally Spreadbury, Dulcie Broughton, Yvonne Rayner, and skip Sue Evans winning 30-5.

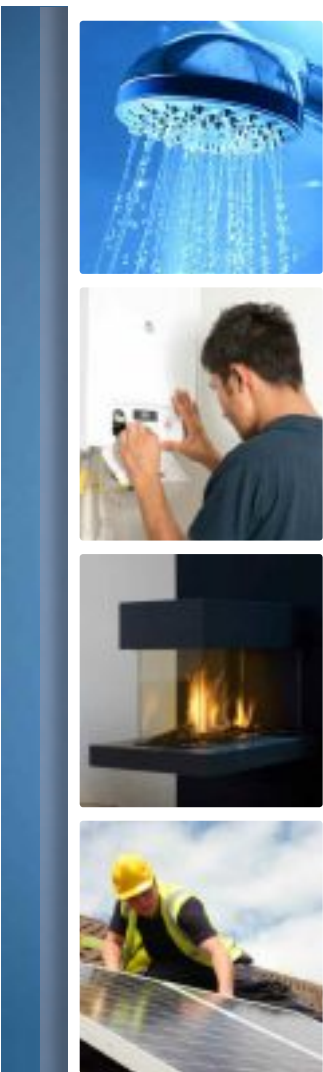

Meanwhile, The Lane ladies did well to bank four points from their match against a strong ISCA team, with two top rinks each winning by seven: Di Hawkins, Margaret Tawse, Sharon Kenny, skip Margaret Bright and Phyllis Milner, June Lee, Val Kille, skip Carol Armitage.

In recent mixed friendly matches Honiton recorded good wins over Taunton Vivary 61-50 where the top rink was David Tooley, Fenella Griggs, Julia Collins, Kieran Daniels 27-11, and against Exonia winning 56-50 with a top rink of Tony Williams, Fred Dart, Margaret Bright and Gerry Stafrace.

Through to last four

◆ **BIG GAME AHEAD:** The Honiton Bowls Club's Ladies team which is targeting a place in a national Cup Final. Standing in their way will be Essex girls Tye Green.
